Just one more week until we see the bright faces of our students back here at Baker Middle School! Here is some important information you may want to take care of before school starts.

Required Vaccinations for 2023–2024

The Annotated Code of Maryland (10.06.04.03) requires that all Maryland students who are new to Montgomery County Public Schools (MCPS) and those entering Grade 7, provide documentation of required vaccinations or a medical or religious exemption. This documentation is required within the first 20 days of school.

Important Dates

- **Monday, August 28, 2023:** Students must provide documentation of required vaccinations unless parents/guardians provide documentation of an exemption. Students who have not received their vaccinations may enter school if they provide evidence of an appointment to be vaccinated by Monday, September 25, 2023.
- **Monday, September 18, 2023:** Students who have not provided documentation of the required vaccinations must be excluded from school until such documentation is provided.

MONTGOMERY COUNTY PUBLIC SCHOOLS 2023–2024 CAFETERIA NEWS & MEALS INFORMATION

Children need healthy meals to learn. The Division of Food and Nutrition Services serves more than 21 million meals annually. We support healthy meal options for students and continually explore new ways to enhance the nutritional contribution and student acceptability of meals.

Parents/guardians are responsible for school cafeteria account balances incurred by their student(s). Payment is expected, in cash or through prepayment to the student’s school cafeteria account, at the point of sale at the time of purchase, or through an online prepayment system at any time. The cafeteria continues to offer the convenience and flexibility of a computerized cash register system. Depositing funds into a cafeteria account eliminates the need for a child to carry money every day. **All Students now use their MCPS Student Identification Number to access their account** (Schools may also utilize barcodes on student ID cards or elementary meal cards which may be scanned at the register). Any money left on a student’s account from the prior school year is available for spending. Pre-payments to a student’s account may be made prior to the start of school.

To make a prepayment:

- Use [MySchoolBucks.com](https://www.myschoolbucks.com), an online service to make a prepayment using a credit card. Parents can also check meal account balances, sign up for recurring payments and much more. Go to [MySchoolBucks.com](https://www.myschoolbucks.com) to register.
- Complete the form below and include a check or money order payable to the cafeteria. See check acceptance policy below.

To request a refund or a balance transfer for a student no longer enrolled in MCPS, email DFNSHelpDesk@mcpsmd.org

Check Acceptance Policy: Checks used to pay for meals must contain: name, address, phone number and student ID number. Returned checks are subject to recovery for the face value and Maryland State allowed fee of \$25 through an electronic debit or paper draft to the same account. Your payment by check constitutes your acceptance of these terms. If you have any questions concerning our check acceptance policy, please call CHECKredi at 1-800-239-1222.

MCPS Meals Policy

Policy JPH: Food and Nutrition Services Program outlines programs and efforts to address childhood hunger in Montgomery County, meal payment procedures, and the repayment of negative balances incurred by students in the cafeteria. For more information please visit our website.

This institution is an equal opportunity provider.

MEAL PRICES

- **Breakfast Meal \$1.30**
- **Elementary School Lunch Meal \$2.55**
- **Middle and High School Lunch Meal \$2.80**

Children in Maryland that are approved for reduced-price meals will not be charged the cost of meals.

A LA CARTE FOODS AND BEVERAGES AVAILABLE FOR PURCHASE IN ADDITION TO BREAKFAST AND LUNCH

A variety of a la carte items may be available in your student’s school cafeteria. All items available for sale follow *JPG-RA. Wellness: Physical and Nutritional Health*. Specific items vary at each school. For specific information regarding items available at your child’s school or to restrict the purchase of a la carte items, please contact your school cafeteria manager.

FREE AND REDUCED-PRICE MEAL APPLICATIONS

Families who meet certain federal income standards are eligible for free or reduced-price meal benefits. All children use their student ID number so confidentiality is maintained and no child is overtly identified as receiving free or reduced-price meals. Households are encouraged to **apply online at [MySchoolApps.com](https://www.myschoolapps.com) as processing times are significantly decreased.** A paper application may also be requested from your child’s school. Only one application is needed for all students in a household. A new application must be completed annually.

Office of the Principal

Dear Parents/Guardians:

The health and well-being of your children is of utmost importance to Montgomery County Public Schools (MCPS).

Anaphylaxis Awareness

The Montgomery County Board of Education adopted Policy JPD, *Emergency Care for Students Experiencing Anaphylaxis*, and MCPS adopted Regulation JPD-RB, *Emergency Care for students Experiencing Anaphylaxis*, to safeguard your children in the event of an emergency.

If your child has a known anaphylactic allergy, the *Annotated Code of Maryland*, Education Article, Section 7-426 states that parents/guardians are responsible for notifying schools of a child's special health care needs or diagnoses and providing appropriate medications. These medications may be kept in the school's health room for your child's use in case of an emergency. To do this, you will need to complete MCPS Form 525-14, *Emergency Care for the Management of a Student with a Diagnosis of Anaphylaxis: Release and Indemnification Agreement for Epinephrine Auto-Injector* and deliver the properly-labeled epinephrine auto-injector to the school. The form may be obtained from your school community health nurse or online at <https://ww2.montgomeryschoolsmd.org/departments/forms/pdf/525-14.pdf>.

We understand that parents/guardians or students may not know of an anaphylactic allergy until an emergency situation arises. Maryland requires that all schools train their staff members to recognize signs of anaphylaxis and maintain a stock supply of epinephrine auto-injectors (i.e., EpiPens[®]) for use in case of an emergency. Designated staff members at each school are trained to administer EpiPens[®]. Please be assured that whenever an epinephrine auto-injector is used, whether it belongs to your child or is one of the school's stock supply, 9-1-1 and you will be called.

Opioid Awareness

The *Start Talking Maryland Act*, enacted in 2017, requires school boards of education to:

- develop a policy to store naloxone in schools and authorize designated staff members administer it when it is reasonably believed that an individual is experiencing an opioid overdose; and
- notify parents/guardians of the policy at the beginning of each school year.

Board Policy IGN: *Preventing Alcohol, Tobacco, and Other Drug Abuse in Montgomery County Public Schools* was amended in June 2017 to reflect this requirement. Naloxone is a medication that, when administered, reverses the fatal effects of opioids (e.g., heroin) on the body and restores breathing. Each school will be stocked with a twin-pack of Narcan[®] which is a form of naloxone in a nasal spray to be used in the event of an emergency. Naloxone affects only opioids and has no effect on an individual who has not taken the drug.

Maryland authorizes trained, designated staff members to administer Narcan[®]. In the unlikely event that Narcan[®] is administered to your child, 9-1-1 and you will be called immediately.

If you have additional questions about these Montgomery County Board of Education policies and MCPS regulation, or the use of EpiPens[®] or Narcan[®] in schools, please contact me at Louise_J_Worthington@mcpsmd.org or the school community health nurse at 240-207-2444.

Sincerely,

Principal

Office of the Principal

Estimados Padres/Guardianes:

La salud y el bienestar de sus hijos son de suma importancia para Montgomery County Public Schools (MCPS).

Concienciación sobre Anafilaxia

El Consejo de Educación del Condado de Montgomery adoptó la Política JDP, *Cuidados de Emergencia para Estudiantes Que Experimentan Anafilaxia (Emergency Care for Students Experiencing Anaphylaxis)*, y MCPS adoptó el Reglamento JPD -RB, *Cuidados de Emergencia para Estudiantes Que Experimentan Anafilaxia (Emergency Care for Students Experiencing Anaphylaxis)*, para proteger a sus hijos en caso de una emergencia.

Si se sabe que su hijo/a padece de una alergia anafiláctica, el *Código Comentado de Maryland (Annotated Code of Maryland)*, Artículo de Educación, Sección 7-426, afirma que los padres/guardianes son responsables de notificar a las escuelas acerca de las necesidades especiales de cuidados de la salud o diagnóstico de un niño/a y de proveer los medicamentos adecuados. Estos medicamentos pueden ser guardados en la enfermería de la escuela para el uso de su hijo/a en caso de emergencia. Para hacer esto, usted necesita completar el Formulario 525-14 de MCPS, *Atención de Emergencia para Estudiantes con Diagnóstico de Anafilaxia: Acuerdo de Liberación e Indemnización para Auto-Inyector de Epinefrina (Emergency Care for the Management of a Student with a Diagnosis of Anaphylaxis: Release and Indemnification Agreement for Epinephrine Auto-Injector)* y debe entregar a la escuela el auto-inyector de epinefrina adecuadamente etiquetado. El formulario puede obtenerse del enfermero/a de la comunidad escolar de su escuela o en línea ingresando a: https://ww2.montgomeryschoolsmd.org/departments/forms/pdf/525-14_spanish.pdf.

Entendemos que los padres/guardianes o los estudiantes podrían no saber de la existencia de una alergia anafiláctica hasta que ocurra una situación de emergencia. Maryland exige que todas las escuelas capaciten a los miembros del personal para que reconozcan las señales de anafilaxia y que mantengan un suministro de auto-inyectores de epinefrina (es decir, EpiPen®) para uso en caso de emergencia. Miembros designados del personal en todas las escuelas están capacitados para administrar EpiPen®. Tenga la certeza de que siempre que se use un auto-inyector de epinefrina, ya sea que le pertenezca a su hijo/a o que sea uno que la escuela suministre, usted y el 9-1-1 recibirán una llamada.

Concienciación sobre Opioides

La *Ley de Maryland Comience la Conversación (Start Talking Maryland Act)*, promulgada en el 2017, exige que los consejos de educación:

- desarrollen una política para el almacenamiento de naloxona en las escuelas y autoriza a miembros designados del personal a que administren naloxona cuando se estime razonablemente que una persona está experimentando una sobredosis de opioides; y
- notifiquen a los padres/guardianes sobre la política al inicio de cada ciclo escolar.

La Política IGN del Consejo, *Prevención del Abuso de Alcohol, Tabaco y Otras Drogas en Montgomery County Public Schools (Board Policy IGN, Preventing Alcohol, Tobacco, and Other Drug Abuse in Montgomery County Public Schools)*, fue enmendada en junio 2017 a fin de que refleje este requisito. Naloxona es un medicamento que, al ser administrado, revierte los efectos mortales de opioides (por ejemplo, heroína) en el cuerpo y restablece la respiración. Cada escuela *tendrá almacenado un paquete doble de Narcan®*, que es un tipo de naloxona en atomizador nasal, para su uso en caso de una emergencia. *Naloxona afecta sólo a opioides y no tiene efecto en una persona que no haya tomado la droga.*

Maryland autoriza a miembros designados autorizados y capacitados para que administren Narcan®. En el caso poco probable de que se le administre Narcan® a su hijo/a, usted y el 9-1-1 recibirán una llamada inmediatamente.

Si usted tiene preguntas adicionales sobre estas políticas del Consejo de Educación del Condado de Montgomery y sobre el reglamento de MCPS, o sobre el uso de EpiPen® or Narcan® en las escuelas, por favor comuníquese conmigo a Louise.J.Worthington@mcpsmd.org o con el enfermero/a de la comunidad escolar en su escuela, llamando al 240-207-2444.

Atentamente,

Directora
