MARYLAND

July 1, 2022

Dear Middle School Parent:

Enclosed are route schedules for buses serving your child's school. Please note the appropriate time, location, and route number for your child. Students should be ready and waiting to board the bus five minutes prior to its scheduled arrival time. Route numbers are displayed on the side window of the bus. Students who live within 1.5 miles of the school are not eligible for transportation services if age-appropriate walking routes are available. Questions should be referred to the transportation cluster manager who is responsible for your school. Your school or the Montgomery County Public Schools (MCPS) website can provide you with contact information for your transportation cluster manager.

Bus stops previously scheduled may have been eliminated or relocated to provide economies in operation. Every effort is made to minimize inconvenience to students and parents; and provide a reasonable level of service. Saving support budget dollars provides more resources for classrooms.

When bus stops are scheduled at intersections, students should stand safely away from traffic, within 150 feet of the stop. *Parents are responsible for maintaining discipline and safety at bus stops.* Students waiting for buses may choose to stand in carports and garages for protection from the elements. This is acceptable only if: (1) it does not alter the route; (2) it does not increase the number of stops; (3) it is acceptable to all parties involved; and (4) it is reasonably close to the regular stop (so that a substitute bus operator, not familiar with special arrangements, may easily locate the students). Please note: bus operators are only authorized to stop at designated stops; do not request unauthorized stops. MCPS realizes substantial fuel and other operational savings by limiting the number of bus stops.

Students who wish to ride home on a friend's bus, or get off their own bus at a friend's stop must bring a note from their parent. Once approved and signed by the principal, the student should give this note to the operator of the bus they will be riding. This practice will normally be approved where space permits.

Inclement weather creates many hardships for all. It is not possible to provide additional transportation during winter months or on rainy days, and for this reason, students should dress accordingly. In case buses are not able to reach designated stops due to snow and ice accumulation, parents are encouraged to make advance arrangements with bus operators so that students who live in these areas can board at alternate locations when necessary.

Appropriate student behavior is important to the safety and comfort of everyone. Parents are encouraged to discuss behavior with their children regularly to reinforce this message. It is important

that all students follow the rules stated in “*Ride by the Rules.*” campaign. For more information on this, please visit: <https://www.montgomeryschoolsmd.org/departments/transportation/rules/>. Student transportation can only operate effectively if we all do our part to make things work. Parental assistance and cooperation are needed to provide a safe transportation system for student riders.

MARYLAND

Estimado padre de la escuela intermedia:

Se adjuntan los horarios de ruta de los autobuses que sirven a la escuela de su hijo. Tenga en cuenta la hora, el lugar y el número de ruta apropiados para su hijo. Los estudiantes deben estar listos y esperando para abordar el autobús cinco minutos antes de su hora de llegada programada. Los números de ruta se muestran en la ventana lateral del autobús. Estudiantes que viven dentro de 1.6 millas de la escuela no son elegibles para los servicios de transporte si existen rutas disponibles para caminar apropiadas para su edad. Las preguntas deben remitirse al gerente del clúster de transporte que es responsable de su escuela. Usted puede encontrar la información del gerente de transporte, contactando su escuela o el sitio web de las Escuelas Públicas del Condado de Montgomery (MCPS).

Las paradas de autobús previamente programadas pueden haber sido eliminadas o reubicadas para economizar fondos. Se hace todo lo posible para minimizar las molestias a los estudiantes y padres; y proporcionar un nivel razonable de servicio. Ahorrando dólares del presupuesto de apoyo proporciona más recursos para las aulas.

Cuando se programan paradas de autobús en las intersecciones, los estudiantes deben mantenerse seguros estando lejos del tráfico, dentro de los 150 pies de la parada. *Los padres son responsables de mantener la disciplina y la seguridad en las paradas de autobuses.* Los estudiantes que esperan autobuses pueden optar por pararse en garajes para protegerse de las inclemencias del clima. Esto es aceptable sólo si: (1) no altera la ruta; (2) no aumenta el número de paradas; (3) es aceptable para todas las partes involucradas; y (4) está razonablemente cerca de la parada regular (de modo que un operador de autobús sustituto, no familiarizado con los arreglos especiales, puede localizar fácilmente a los estudiantes). Por favor, note: los operadores de autobuses solo están autorizados a detenerse en las paradas designadas; no solicite paradas no autorizadas. MCPS logra ahorros sustanciales de combustible y otros ahorros operativos al limitar el número de paradas de autobús.

Los estudiantes que deseen viajar a casa en el autobús de un amigo o bajarse de su propio autobús en la parada de un amigo deben traer una nota de sus padres. Una vez aprobado y firmado por el director, el estudiante debe entregar esta nota al operador del autobús en el que viajará. Esta práctica normalmente se aprobará cuando el espacio lo permita.

Las inclemencias del tiempo crean muchas dificultades para todos. No es posible proporcionar transporte adicional durante los meses de invierno o en días lluviosos, y por esta razón, los estudiantes deben vestirse adecuadamente. En caso de que los autobuses no puedan llegar a las paradas designadas debido a la acumulación de nieve o hielo, los padres deben hacer arreglos por adelantado con los operadores de autobuses para que los estudiantes que viven en estas áreas puedan abordar en lugares alternativos cuando sea necesario.

El comportamiento apropiado de los estudiantes es importante para la seguridad y la comodidad de todos. Los padres deben discutir el comportamiento con sus hijos regularmente para reforzar este mensaje. Es importante que todos los estudiantes sigan las reglas establecidas en "*Ride by the Rules*". campaña. Para obtener más información al respecto, visite: <https://www.montgomeryschoolsmd.org/departments/transportation/rules/>.

El transporte estudiantil solo puede operar de manera efectiva si todos hacemos nuestra parte para que las cosas funcionen. La asistencia y cooperación de los padres son necesarias para proporcionar un sistema de transporte seguro para los estudiantes pasajeros.

Sinceramente,

Edwin Blanco Ruiz  
Gerente de Transportación

## Cafeteria Information

Parents can send cash to be deposited in the student's lunch account. However, checks are highly encouraged. Please make checks payable to Kingsview Middle School Cafeteria. Please write your child's full name, grade, and PIN number on the check.

You also have the option of making online credit card payments on the *My School Bucks* website. This is a great service for parents. You can request an e-mail be sent to you when your child's lunch account balance reaches \$10 and you can make a one-time payment. This way your child never runs out of money. Or you may choose to enroll on auto-pay to fund the account a set amount each month or you can set up to fund the account once the account is below a certain dollar amount. You are also able to view meal history for every child on the account.

You will need a valid e-mail address, your child's student ID, and a credit card number. You must enter your child's name as it appears on the child's school records. You may add all your children who attend MCPS on this account. The company charges \$1.95 per credit card transaction. Please create an account by visiting the *My School Bucks* website: [MySchoolBucks](http://MySchoolBucks)
