The Tranzed Academy for Working

Students (TAWS) is a Montgomery County program for rising seniors and current 12th grade high school students who are on track to graduate with a minimum 2.5 GPA and 18 credits, but need a more flexible school schedule allowing them to work more hours at their job.

The TAWS program is designed to build on a student's strengths while offering a path toward career and college through a combination of flexible academic schedules, online learning, dual enrollment, career counseling and career preparation.
