# Judy Center Early Learning Hub

at Summit Hall Elementary School

## May Days

New programs, trainings and procedures are in store for the Judy Center at Summit Hall as we celebrate the Month of the Young Child!

In an effort to serve all the families on our waiting list, we will offer two new classes: toddler soccer and open park play. We will also introduce our attendance policy and new referral procedures. We hope to identify more families residing in our area who desire to join the Judy Center and grow as their child's first teacher.

We're going to the Zoo!! Judy Center children and parents will visit the Baltimore Zoon on Tuesday, May 2nd. This is a rain or shine event and is the culminating activity of learning about animals each week at the Judy Center. In addition to visiting the zoo at their leisure, families will receive a voucher to enjoy lunch on site at one of the many zoo restaurants as well as ride on wrist bands to enjoy unlimited train and carousel rides.

**PreK Registration** will be held onsite at the Judy Center on May 12th, all day. Families are encouraged to call to make an appointment. All applicants will receive an educational toy and book from the Judy Center.

## Professional Development

WETA/PBS hosted four Zoom workshops on Monday evenings in April. Participants received free books from WETA and materials from the Judy Center. Participants should contact the Judy Center to pick up their materials.
