

MONTGOMERY COUNTY PUBLIC SCHOOLS

Expanding Opportunity and Unleashing Potential

OFFICE OF FACILITIES MANAGEMENT

**JoAnn Leleck Elementary School @ Broad Acres
710 Beacon Road
Silver Spring, Maryland 20903
Replacement Project**

Montgomery County Public Schools (MCPS) and the design team are in the process of finalizing the Design Phase for the replacement project at JoAnn Leleck Elementary School at Broad Acres. This notice is to inform you of a community meeting to provide the school and community an update on the progress of the design and upcoming construction anticipated to start this summer/fall. **The Fairland Center will be the Holding School during the duration of the construction. MCPS will review the logistics associated with the school move and bus transportation to the Fairland Center (Holding School).**

The date and time for the meeting is shown below. **Meeting will take place in the All Purpose Room/Cafeteria at JoAnn Leleck Elementary School at Broad Acres.**

Language interpretation services will be provided for Spanish. If you need other services or aids to participate, please call Mr. Kenneth R. Futch, project manager, Division of Design and Construction, at 240-740-770; TTY users should call Maryland Relay (711) or email [Kenneth R. Futch@mcpsmd.org](mailto:Kenneth.R.Futch@mcpsmd.org). Taking these steps will help us have sufficient time to best meet your needs.

Meeting Schedule

Work Session #5

Thursday, May 30, 2024

@ 6:30 p.m. in the

All Purpose Room/Cafeteria
