CONDITIONS:

(*1) With Conditions - Staff may use FileMaker at home if the staff member is the Primary User where FileMaker is installed. For a loading disc for FileMaker, email the Help Desk with your request.

(*2) Take home rights are limited to the number of licenses, which is 60 in middle schools.

(*3) To purchase Microsoft Office software at an MCPS employee price, go to http://www.montgomeryschoolsmd.org/ departments/techproducts/emppurchase/. Under **On The Hub,** click on Microsoft Software.

(*4) Number of Take Home licenses corresponds to the number of licenses held by the school (generally 1 license per math teacher; check with your ITSS for additional licensing information.)

Note: If your school does not have a software title, you are not eligible to use it.
If you have any questions about the school software, please contact your Instructional Technology Specialist at 240-314-2250 or your local Information Technology System Specialist (ITSS).
