## PRESIDENT'S MESSAGE

**Dr. Carol Dahlberg**  
*President - MCPSRA*

The COVID-19 virus, and all of its newer and more infectious variants continue to impact our lives and daily activities. It's hard to believe, but it's been nearly a year since we gathered together for our last MCPSRA luncheon—February 20, 2020.

February, 2020 MCPSRA Luncheon

It was a typical MCPSRA luncheon: a casual meeting with friends and colleagues, good food and good entertainment. A great time was had by me and everyone I talked to.

Our February, 2020 luncheon closed with John Gamage, "Jonny G," strumming his guitar and singing his renditions of 50s country, folk, and calypso music.

We had no warning that a pandemic was on the horizon!

But within days everything changed! Many of us have been sheltering in place since March. Our social gatherings have been cancelled and our monthly MCPSRA Board of Directors meetings have been held on Zoom.

Despite these challenges, our members continue to reach out to help others by volunteering at local organizations... donating money and other resources to help those in need.

We continue to support the Josiah Henson Park and Educational Facility (p. 9) and our Toolkits project (p.3). Contributions to both are appreciated.

This year MCPSRA will resume providing scholarships to MCPS employees pursuing advanced degrees and professional development. We will work with MCPS to get

"Jonny G" performing at our February, 2020 Luncheon

applications to all staff. As I write this message, the MCPS Board of Education has determined that March 15 is the earliest date that students and staff will resume in-person instruction if health metrics are met. The situation is fluid, but we have the resources

and are determined to continue our support of MCPS staff through our scholarships.

Building up our membership is particularly important. Our ability to fight to preserve your pension and health benefits is dependent on numbers. If you know retirees who are not MCPSRA members, please, encourage them to join. An application form is on page 8 and on our website MCPSRA.org. We are not alone in this fight. We continue to work with MRSPA and MCPS to protect your pension and health benefits.

On behalf of all MCPSRA members, I sent our condolences to Representative Jamie Raskin and Mrs. Raskin on the loss of their son Tommy. Losing a child is particularly painful and tragic.

Be sure to visit our webpage at [mcpsra.org](http://mcpsra.org).

---Carol Dahlberg

PS. A special thank you to Bill Mills for the photographs included on this page.

### **A SPECIAL STIMULUS PACKAGE**

For almost a year our nation and the world have had to deal with an unimaginable and horrific disaster of a pandemic, making us all hopeful that we can live through the experience. Every aspect of life as we once knew it has changed. Our number-one goal is now to survive unscathed without contracting the virus itself. Tens of thousands of Montgomery County residents have been unfortunate enough to have been diagnosed with COVID-19. Many have been hospitalized, fighting for their lives. And, over 1,200 lost that battle.

The COVID-19 pandemic has victimized citizens throughout our nation well beyond concern for their health. Mandated closures have left many residents right here in Montgomery County without jobs or any other means to support their families. Some of our neighbors live with constant challenge of how to feed their loved ones and how to pay rent or make mortgage payments to keep a roof over their heads. These neighbors can neither afford nor find day care for their children, who must learn from home because of the closure of all MCPS schools. US Government stimulus checks sent to all with incomes below \$75,000 per year provided some relief but could not eliminate the on-going and long-term economic effects of this pandemic. Those of us with the luxury of a stable income must reach out and do all we can to help those in need. Donate food, clothing, money, and whatever is needed to get our needy neighbors through this devastating and challenging time.

For the past 16 years, the Montgomery County Public Schools Retirees Association has made it one of its missions to reach out and help economically challenged families in Montgomery County by providing a special stimulus package of our own: a toolkit of school supplies for home use for each in-coming kindergartner and Head Start student who attended a Title I program called ELO SAIL (Extended Learning Opportunities Summer Adventures in Learning). We were unable to provide these kits this past summer since Title I programs could not be held. It is our hope that schools will open soon and that the ELO SAIL program will resume in July. If this happens, we anticipate that the enrollment in this program will increase dramatically from previous years and the number of toolkits needed will most likely exceed 2,500. Therefore, we must step up our fund-raising efforts so that we can assemble as many toolkits as we possibly can. PLEASE invest in the hope of a better future for our county's needy children by sponsoring toolkits with a tax-deductible donation. Complete the form below, PLEASE make checks payable to **MCPS EDUCATIONAL FOUNDATION** with "Toolkits Project" on the memo line, and mail it to the address provided on the form. Your sponsorship will be a special stimulus package for a very needy child here in Montgomery County. Thank you SO much for caring!

## MCPSRA Consumer Report by Reggie Ott

During this pandemic, scammer and fraud contacts are on the rise. A recent presentation by MRSPA on scams and frauds provided the following reminders:

- Scammers play on your emotions to extort money. They often use phishing scams as part of their ploy. (Phishing is the the practice of sending emails purporting to be from a reputable company in order to induce individuals to reveal personal information, such as passwords and credit card numbers.)
- Phishers repeatedly contact you as they try to wear you down so they can get personal information in order to extort money from you. Be aware and don't let it happen to you!
- Don't wire money to any agency if you are being asked to be deceptive or use a GreenDot card reference number, a gift card, or send a check from a call or contact that you did not initiate.
- Ignore purchasing medical kits or at-home testing kits from ads, phone solicitations.
- Don't offer personal information in response to calls from any source with which you are unfamiliar.

If you have been duped, report it to the MC Police Department or Consumer Fraud Unit in the Maryland States Attorney's office. Or contact MRSPA for assistance.

Keep yourself safe and healthy during these unusual times.

Reginald J Ott  
Consumer Education Chair

## PROFILES IN RETIREMENT by Donna Hollingshead

This section of the newsletter is dedicated to hearing from the MCPSRA members! Please stay connected with other retirees sharing your latest news, "fun facts," or interesting stories. Your submission may be a few lines or up to one page and photos are requested to add interest. Note that submissions may be edited and shortened as space permits. **Catherine Long, Retired 2019: Principal, Ritchie Park Elementary School** [cathindc@rcn.com](mailto:cathindc@rcn.com)

I retired in July 2019. Shortly after that, I began volunteering with the Red Cross supporting families in DC who had fires in their homes. I've met wonderful volunteers and clients and find my education experiences quite handy; including mentoring and training people who came after me. We are currently experiencing a major change in our data collection and management tool. This put me on very familiar territory, so I am coaching and leading others in a time of technology change. 2020 brought many natural disasters. The Red Cross sent me to Houston after Hurricane Laura and Oregon after the wildfires to support those left homeless. I was so impressed by the strength and resilience our clients demonstrated after such devastating experiences.

A few months ago, I decided that COVID-19 was a good time to do something I've always wanted to do—learn how to play the piano. I have mastered The Donkey Song and I'm working on Frosty the Snowman. I'm sure Chopin is in my future!

[cwsolomon19302@gmail.com](mailto:cwsolomon19302@gmail.com)

Since retiring in 2010, I have immersed myself in writing and in volunteering. My latest volunteer effort is working with at-risk girls at Watkins Mill HS through the "Dream It, Be It" program, coordinated by Soroptimist International of Upper Montgomery County. The program also operates at Gaithersburg HS, Quince Orchard HS, and Northwest HS. I highly recommend this women's organization for retired high school teachers.

In November 2020 my book *Love, Loss, & Ghosts*, a collection of short fiction, was published by a grant from the Arts and Humanities Council of Montgomery County. It includes some stories set in Poolesville, where I taught for the final three years of my MCPS career, including the prize-winning story "The Fixer," which is about a high school registrar. I am currently doing book presentations via Zoom to senior groups and book clubs throughout Montgomery County. For more information, see [www.carolwsolomon.com](http://www.carolwsolomon.com). My book is available in print and digital formats on [Amazon.com](https://www.amazon.com) and [BarnesandNoble.com](https://www.barnesandnoble.com).

# MRSPA Fund Request for Donations – Raffle Drawing

The MRSPA Community Service and Scholarship Committees provide tremendous support to students and staff in our schools across Maryland. In the past, funds for these scholarships and mini-grants were partially obtained through in-person sale of raffle tickets statewide. This year, that option is not available to us due to the pandemic. Therefore, we are seeking **donations** to the *MRSPA Fund* so that we can continue our work. All donations are tax deductible and come with our thanks and appreciation!

To show our appreciation, your name will be entered into a drawing upon receipt of your donation based on this criterion: Donations of \$10 will earn 1 raffle ticket while donations of \$25 will earn 3 raffle tickets incrementally. MRSPA staff will write your name on the correct number of tickets when we receive your check. The drawing will take place at the May 2021 Annual Business Meeting whether held in person or virtually. You can win the \$300 cash first prize, a Maryland themed basket valued at \$150 second prize, or one of 5 third place themed baskets valued at \$75:

Cooking, Spa, Wine Lover, Movie Night, and Sports Lover.

### Entering the drawing is fun and easy!

1. Make your **check payable** to **The Community Foundation of Frederick County**.
2. Write **MRSPA Fund Donation** on the FOR line.
3. Date and **sign** your check.
4. **Mail** check and completed form to MRSPA at 8379 Piney Orchard Parkway, Suite A, Odenton, MD 21113 **before February 28, 2021**.

**Will you send a donation today? Receipts will be sent via email or US Mail.**

## Some Humorous Paraprosdokianisms

(Thanks to MCPSRA Member Skip Rideout.)

A Paraprosdokian is a figure of speech in which the latter part of a sentence, phrase, or larger discourse is surprising or unexpected in a way that causes the reader or listener to re-frame or reinterpret the first part. It is frequently used for humorous or dramatic effect, sometimes producing an anticlimax. For this reason, it is extremely popular among comedians and satirists such as Groucho Marx.
