

Before a raid, families should:

- **Identify a local nonprofit organization that can help you.** Find out who in your community provides free legal support services (e.g., immigration advocates, legal aid organizations, churches or worker centers).
- **Identify an attorney.** Find out the name and phone number of a reliable immigration attorney ahead of time and keep this information with you at all times.
- **Obtain a “know your rights” card.** These cards state that you would like to exercise your right to remain silent and that you would like to speak to an attorney. The name and phone number of your attorney should be listed on the card.
- **Advise family members who do not want to be questioned by ICE to stay away, if a raid occurs, from the place of the raid and where the detainees are held.**
- **Start saving money.** You’ll need money to hire an attorney and for toiletries and food during detention. It’s best to start saving now.
- **Create a family immigration raid emergency plan.** To find out how to make your plan, see the “Immigrant Youth Guide for Educators and Support Staff” at www.aft.org/immigration.

WHAT TO DO IF ICE COMES TO YOUR DOOR

DO NOT OPEN DOORS

ICE cannot come in without a signed warrant by a criminal court judge. They can only come in if you let them.

REMAIN SILENT

ICE can use anything you say against you in your immigration case so claim your right to remain silent!

*Say "I plead the Fifth Amendment and choose to remain silent."

DO NOT SIGN

Don't sign anything ICE gives you without talking to an attorney.

REPORT & RECORD!

Take pictures & video unless you're on official government property. Take notes of badge numbers, number of agents, time, type of car and exactly what happened!

FIGHT BACK!

Get a trustworthy attorney & explore all options to fight your case. If detained, you may be able to get bail - don't give up hope! Join your local team to defend yourself from enforcement!
