

How to Order from Home Depot

Bid 11019-RFP

If you would like to purchase from Home Depot, please email progovtteam@homedepot.com and copy Cesar Alvarado at CESAR_E_ALVARADO@homedepot.com on your email.

For appliances, include your needs in your email: Energy Star, brand, size/size restrictions if any, with or without an ice maker, top loader, front loader, color, gas, electric, style, etc. Please let them know if you need a commercial unit. Home Depot will prepare a quote for you that you will accept or reject. Before you accept the quote please Google the model number to view a picture of what you should expect to receive. If you accept please do a non-catalog for Goods and Items request in the Hub based on the quote. Include your quote number in the description and attach the quote to your requisition. Please note: If you need installation make sure it's on the quote. If you have questions, please email: procurement@mcpsmd.org.
