

Evidence of Learning (EOL)

Evidence of Learning (EOL)

Multiple measures in classroom, district and external categories that assess student learning

GOAL: EVERY STUDENT should ACHIEVE at least TWO OF THE THREE measurement categories.

Measurement Categories

EXTERNAL STATE MANDATED (MAP-MCPS MANDATED) MEASURES

For example:

Partnership for Assessment
of Readiness for College and
Careers (PARCC)

College and Career Readiness
Measures

Measures of Academic Progress
(MAP)

DISTRICT MEASURES

For example:

English Language Arts
and Mathematics District
Assessments (Elementary)

English and Mathematics
Progress Checks (Secondary)

CLASSROOM MEASURES

For example:

Report Card Grades
Teachers' Daily Grades

2 out of 3 Measurement Categories
= Ready for Next Grade Level

5TH GRADE

READINESS

2 out of 3 Measurement Categories
= Ready for Next Grade Level

EXTERNAL STATE MANDATED (MAP – MCPS MANDATED) MEASURES

Measures of Academic Progress (MAP)

- » Mathematics (MAP-M)
Grade-level assessment used to measure progress and growth in mathematics common core standards
- » Reading (MAP-R)
Grade-level assessment used to measure progress and growth in reading common core standards

ACCESS to ELLs

English language proficiency assessment for students identified as English Language Learners.

DISTRICT MEASURES

District Literacy Assessment

Provides common grade-level text and includes questions focused on new standards

District Mathematics Assessment

Focuses on key standards of instruction and mathematics

CLASSROOM MEASURES

Report Card Grades

How ready is a 5th grade student for middle school?

Goal: Every 5th grade student should achieve at least one measure in two out of the three measurement categories.

How does an MCPS 5th grader experience the Evidence of Learning Framework?
