

Bethesda Elementary School Supply Lists 2019-2020

Dear Parents,

Below you will find the grade level school supply lists for the upcoming school year. In addition grade level and specialist teams have put together Amazon Idea Lists. These lists contain items that teachers would love to have donated to their classrooms. Please note, these are donation items, and not a required school supply. The links to these lists can be found below. Some of the links are not yet live, but check back as we will be updating throughout the summer in preparation for the start of the year. Feel free to select an item(s) off the list to add to the team supplies. All items on these lists will be directly shipped to the school and be used immediately in classrooms. MCPS has also compiled a breakdown of supplies for Bethesda ES by grade level, which can be found on the last page and might be helpful if you are shopping for multiple grade levels. Thank you all for your continued support of our school!
