

February 10, 2023

Dear Brooke Grove Families,

I hope you had a wonderful week. This week at BGES our Kindergartners celebrated the 100th Day of School, our third graders had a great trip to the College Park Aviation Museum, and our PTA sponsored an assembly with magician Joe Romano, whose show was entertaining and included a great message of kindness and respect. See below for photos and ask your children to tell you about the show! A huge thank you to our PTA for bringing this show to BGES. The more parents who [join PTA](#), the more wonderful events we can have for our students.

Next week is Random Acts of Kindness (RAK) Week. We have a fun week planned, including a Spirit Week and Valentine's Day parties on Tuesday. Our PTA Room Parents will be planning a fun classroom celebration for students. This is a time that we set aside to celebrate kindness & caring for one another and to build classroom community & relationships. Students will exchange Valentines with all students in their class and teachers have sent home class lists. Valentines can be homemade, store bought and there are a lot of free Valentine printable cards available online. Please see below for the Spirit Week calendar and more information and updates, including information about Saturday School and a new MCPS Health and Wellness app.

I hope you have a restful and relaxing weekend!

Warmly,

Jolynn Tarwater, Principal
