2/20	President's Day Holiday: No School for Students and Staff	
2/22	No School for Students Pre-K Teacher Training Day	
2/28	Classroom Picture day	

A Note From Ms. Carneiro

We will have a Valentine's Day on Tuesday, February 14th. Your child is welcome to bring in Valentine's Day cards to distribute to classmates. We have 20 students in our class. We will enjoy crafts and games within our classroom.

A Peek At What We Are Learning

Reading

We are moving into Unit 6: Animals! Students will identify the problem in a story and make inferences and predictions. Identify high frequency words and plural.

Writing

We will practice writing letters using pre-writing strokes and chants. We will use sentence frame to dictate complete sentence and punctuation.

Math

We will be working on counting to 10 in a variety of configurations. We are counting 1-10, matching numeral to quantity.

Science

We will describe different types of animals and their characteristics. Mammals animals and offspring, reptiles, and birds. We will compare living and nonliving things.

Social Studies

We will be celebrating Black History Month and we will learn about famous Black Americans and their contributions to our world. We will also discuss how we can take care of the environment.

Progress Reports will sent home at the end of February. The report will have updates on your child's academic progress and ways families can help at home.
