

# January News

## Upcoming

1/3	Class resume
1/16	No School Martin Luther King Jr. Day
1/27	No School Professional Day for Teachers

## A Note From Drew ES

With Omicron variant COVID cases increasing by the Holidays, it is important to not report to school if you have any signs of illness. In addition to the standard COVID symptoms (cough, fever, loss of taste and smell), signs of omicron include: sore or scratchy throat, running nose, headache, chills and body aches. If you have any of these symptoms, please stay home. Please use the Rapid Test before return to school to confirmed that you do not have COVID-19. Rapid Test. Thank You!

## A Peek At What We Are Learning

### Reading

We are learning about different family traditions. We are also asking and answering questions about informational books.

### Writing

We are drawing pictures and telling stories about special dates or events, We are also continue to learn to write the letters.

### Math

Students are learning to touch and count up to 10 objects arranged in different ways (e.g., in a straight line or in rows) and extend their ability to make tallies, recognize numerals, and count on their fingers the Math Way (from left to right).

### Science

We will start identifying food groups and describing tastes and textures of food.

### Social Studies

We will identify and discuss local, state and national celebrations. Learning about our Maryland State flag and different Countries Flags, Discuss the process of voting and its importance. Discuss costumes and uniforms.

Sign up for Alert MCPS is a way that you can receive text messages or e-mail from Montgomery County Public Schools during weather-related emergencies and other major events that impact school system operations. Alert MCPS is administered by Montgomery County Public Schools and is part of the Montgomery County Alert System.
