### **SCHOOL HOURS**

Our official school hours for all students Pre-K - 5 , are 9:00 a.m. - 3:25 p.m. The bell rings at 9:00 a.m. Daily attendance and punctuality are very important to school success. Please make every effort to make sure your child is present and on time each day. Students arriving after 9:00 a.m. will be considered tardy.

School office hours are 8:00 a.m. - 4:00 p.m. If you need to call other than this time period, please leave a message on the answering machine giving your child's name and the teacher's name.

### **ENROLLMENT INFORMATION**

We want to make sure our student records are up to date. Please notify the school of any changes in telephone numbers or addresses. Be sure to provide the school with telephone numbers where you can be reached during the day. Keep in mind that the health room is not set up to accommodate sick students for the entire day. We ask that you provide emergency phone numbers and make arrangements to pick up your child if he/she is not feeling well enough to remain in school.

### **SAFETY/TRANSPORTATION**

Students will not be allowed to enter the school building before 8:40 a.m. School doors will remain locked until this time. Students will go straight to their classrooms once the bell rings.

Students may not ride buses other than the bus to which they are assigned. For your child's safety, we must have a note from you regarding any changes to after school transportation. Students may not change their own transportation without parental permission.

Please be reminded that the bus loop is located in front of the school. Parents may not use this area to drop off students in the morning or pick up students in the afternoon. Parked cars in this area disrupt the normal flow with our buses and may potentially cause unnecessary accidents. For safety reasons, the front area should be cleared promptly after dismissal. Always use sidewalks and designated crosswalks when approaching the school. Please be mindful of the designated bus lane when discharging and picking up students. If your child is a walker, please assist him/her in selecting a safe, regular route for walking to and from school. Please encourage the children to walk in groups.

### **SAFETY/CROSSING GUARDS**

An adult crossing guard is located in front of the school on School Drive to ensure the safety of pedestrians during arrival and dismissal. Please obey the commands of our crossing guard.

### **SAFETY/BUSES**

Students who wish to go home with a classmate after school (either by car or riding a different bus) **must** bring a signed note to the office in the morning for verification. **The bus drivers will not allow students on buses without written parent/school permission. For problems concerning bus routes and stop locations, call Sharon Stream, Transportation Cluster Manager at 240-740-4734.**

### **BAR-T**

We anticipate a September enrollment of about 460 students. BAR-T is our before care and after school care provider that will be held in the APR. You can contact BAR-T via email at <http://www.bar-t.com> and by phone 301-948-3172.

### **ABSENCE POLICY**

Daily, consistent attendance at school equates with school success. We urge students and parents to make school a priority and to schedule vacations around the school calendar. As always, parents are asked to call the school by 8:15 a.m. if their child/children will be absent or arrive late. The school will attempt to verify the apparent absence of any student if the parent has not called. In addition, a written explanation of each student's absence is required from the parent when the student returns to school. The request for students to leave school at a time other than regular dismissal time must always be made in writing by the parent/guardian.

In accordance with the Maryland School Performance Program:

- Students will be recorded as *a.m. absent*, if they arrive at school more than two hours late.
- Students will be recorded as *p.m. absent*, if they leave school more than two hours early.
- Students will be recorded as either *a.m. absent or p.m. absent*, if they are absent from school for more than two hours, but less than four hours during the school day.
- Students will be recorded as *full-day absent*, if they are present for less than two hours of the school day.
- Students will be recorded as *full-day present*, if they are present for more than four hours of the school day.

Dated notes, stating the specific reasons for absences, signed by a parent or guardian, are required no later than one day following an absence. Excused absences from school include: illness, doctor or dentist appointments, death in the immediate family, observance of a religious holiday, or a court order. Parents of students with excessive absences and chronic tardiness will receive a letter from Mrs. Williams.

### **RELEASE OF CHILDREN**

For the safety of all children, it is requested that parents who wish to pick up their children to attend after-school appointments do so **before 3:10 p.m.** **Students will not be released between 3:15 p.m. - 3:25 p.m.** When picking up students prior to dismissal, parents must sign them out in the office. The student will be called from the classroom to the office. For safety reasons, no student will be dismissed directly from the classroom. **Students will not be released to unknown parties.**

If there are any changes to your child's regular p.m. schedule, please have all arrangements made before the start of the school day. If it is necessary for a student to be picked up by someone other than the parent, the school must receive written permission from the parent. Identification must be provided at the time of pickup. If in a special circumstance, a student who normally walks, must ride a bus, or vice versa, the student must bring in a note from the parents to be signed by a member of the administration or classroom teacher. If an emergency should arise during the day which changes the dismissal plan for your child, please call the school as soon as possible, but **no later than 3:00 p.m.**, to ensure adequate notice for your child. Please review with your child that he/she is never to leave school during the day without permission from the office and the teacher.

### **LATE ARRIVAL**

Children who arrive late to school **must be signed in at the office by a parent or guardian.** Children who are picked up late **must be signed out at the office by a parent or guardian.**

### **BREAKFAST/LUNCH/RECESS**

**Breakfast:** Fields Road is a participant in the MMFA (Maryland Meals For Achievement) program for breakfast. Beginning the first day of school, breakfast will be served in each classroom. We will make concessions for those students who arrive late due to bus issues. Breakfast will be available for all students but your child can decline it if you choose to do.

***Breakfast is free for all students.***

**Lunch/Recess:** The lunch/recess period is one hour and ten minutes. Menus are sent home on the first day of each month and can be found on the school's website. Hot lunches are served daily with alternate choices. **Lunch is \$2.55 including milk. Milk may be purchased separately for \$0.60.** Parents are highly encouraged to start a SNAP (Student Nutrition Accountability Program-computerized cash register system) account for their child. This will eliminate lost or forgotten lunch money. The price of lunch or a snack will be subtracted from the account. Cafeteria balance letters (positive or negative) will be sent home weekly from the cafeteria manager. Money deposited on the student's account by the parent/adult will be applied to the negative balance. **Checks should be made payable to Fields Road Elementary School Cafeteria.** Please also check out **MySchoolBucks.com** for online deposits.

### **STUDENT BIRTHDAY**

Fields Road does not allow outside food (cupcakes, donuts, cookies, etc.) to be brought to school for students' birthdays. This is to protect the safety of our students with severe food allergies. All student and staff birthdays are announced on the live Falcon News broadcast every morning and posted on the monthly birthday board in the cafeteria. Students will also come to the main office to select a birthday pencil the day their names are announced

### **RECESS**

School policy states that students will go outside for recess when it is 32 degrees or warmer. (Wind chill temperatures may be factored into decisions made.) You should make sure your child comes to school with appropriate winter clothing, hats and gloves, etc., as they will be going outside for recess on most days.

## **STUDENT ACCIDENT INSURANCE**

Student Accident Insurance forms will be sent home with students the first week of school. These forms are to be returned following the instructions provided on the insurance application. A prompt return of these forms will be greatly appreciated by the agency.

## **ILLNESS/MEDICATIONS**

A child who is ill is routinely sent to the Health Room. The school nurse or school health technician will assess the child, contact the parent or guardian, and send the child home if necessary. Any child with an elevated temperature of 100 degrees or above is sent home. **School policy states that your child must be free from fever for 24 hours without medication before returning to school.**

## **MEDICATION POLICY**

At some point during the school year, your child may have a medication prescribed for the treatment of a health problem. As a general policy, the school recommends that children receive medication at home whenever possible. In the event your physician decides your child needs to receive medication during the school day, certain procedures must be followed. **MCPS Form 525-13**, Authorization to Administer Prescribed Medication, must be completed and on file. Forms are available in the School Office and in the Health Room. If you do not have access to the proper form, a written order on the physician's stationery or prescription pad is acceptable, provided it includes the following information:

- Your child's name
- Name of medication being ordered
- Dosage
- Time of administration
- Possible side effects

The first full day's dosage of any new prescription must be administered at home. Medication must be brought to the school by the parent or guardian. Under no circumstances will medication be given which is brought to school by a student. Medication must be properly labeled by a pharmacist. Over-the-counter medication, e.g., aspirin, must also be prescribed by a physician as noted above and brought to the school by the parent or guardian in the original unopened container with the dosage labelled by the manufacturer. **For more information contact our School Nurse directly at 301-840-3475.**

## **DELAYED OPENING/EARLY DISMISSAL/CLOSING OF SCHOOLS**

If schools open late or dismiss early, the time and instructions regarding pre-kindergarten through 5th grade will be announced promptly and regularly on radio and television, as soon as this information is available. Please listen to local news and weather stations for updates or log on to: <http://www.mcps.k12.md.us/>. Sign up for MCPS Quick notes at <http://www.mcps.k12.md.us/info/quicknotes/> to receive instant email notices regarding school closings and delayed openings.

If schools open two hours late, buses will arrive at their pick-up points two hours later than normal. Classes will begin two hours later than their usual beginning time. All day or early closings automatically cancel all afternoon and evening activities in the school. All emergency closings, late openings, or early dismissals are announced promptly and regularly on radio and

television. Parents should plan to make arrangements to cover emergency dismissal, etc. for their children when no one is home to receive students. Following these procedures will keep your child from feeling anxious or upset.

### **REPORT CARDS AND CONFERENCES**

Report cards for Grades K-5 are distributed four times each year in nine week cycles - November, February, April and June.

Parent-teacher conferences are scheduled at the end of the first nine week period for each student in Grades K-5. **This year conferences are scheduled for November 11 and 12.** It is requested that appointments for other conferences with teachers or the principal be scheduled in advance. We can spend more time in the conference if we have prior notice to arrange our schedules.

### **MEETING WITH TEACHERS THROUGHOUT THE SCHOOL YEAR**

Should you require a time to meet with a staff member, please email or call for an appointment. All visitors and volunteers are required to sign in at the main office and to wear a visitor's sticker. We appreciate your cooperation.

### **CLASSROOM OBSERVATIONS**

We welcome parents into our building and our classrooms! Should you have an interest to visit and observe, rather than volunteer, we respectfully request that you arrange your visit in advance. Visits should not be a surprise to the teacher. When visiting, it is important to respect the learning environment and the confidentiality of student performance within the classroom. Classroom visits are not a time to conference with the teacher. If a parent-teacher conference is desired, please contact the teacher to arrange a mutually convenient time.

### **CELL PHONES**

Elementary school students are not permitted to have cell phones or other portable communication devices at school during the school day unless a written request from a parent is approved by the principal. Exceptions may be granted based on factors such as safety or medical concern. Other factors may be considered at the discretion of the principal. This also means that cell phones are not permitted even if they are turned off. If you have an extenuating circumstance, where your child needs a cell phone due to safety concerns, we ask that you contact one of the administrators and provide a written request. If a cell phone is found in school, the administrative team will hold the cell phone until a parent or guardian comes to the school to retrieve it. If you have any questions or concerns about this policy, please contact one of the administrators.

### **BEHAVIOR MANAGEMENT**

#### **PBIS**

Positive Behavior Interventions and Supports (PBIS) is a proactive approach to establishing the behavioral supports and social culture needed for all students in a school to achieve social, emotional and academic success. As a PBIS school, Fields Road focuses on our four core values daily. Our core values are the following:

- ❖ Respect
- ❖ Responsibility
- ❖ Dedication
- ❖ Safety

### **Disciplinary Philosophy, Action, and Process**

The administration and staff of Fields Road Elementary School will administer the discipline policy consistently and appropriately following the guidelines in the MCPS Code of Conduct. When dealing with discipline the factors to be considered include: the seriousness of the offense, the student's age, the frequency of misconduct, the effect or potential effect of the misconduct on the school environment, and the requirements of a student's Individual Education Plan. We believe that making the rules clear and explaining the consequences for not following the rules are important steps in ensuring that the process will be as fair as possible to all students.

- All disciplinary actions begin with a timely staff-student conference and a full investigation. The next step might include a conference with administrator-student, administrator-parent, or any necessary and appropriate combination.
- Please refer to the MCPS Code of Conduct for a detailed description of student expectations and the consequences to address student misbehavior in MCPS. ### **Bullying**

The Safe Schools Reporting Act of 2005 mandates that the Maryland State Department of Education report to the legislature information about incidents of harassment, intimidation, and bullying that were brought to the attention of school staff by students, parents, or close adult relatives of a student. Should you believe that your child is the victim of bullying, please contact the office. MSDE has developed a standard victim reporting form that will be used by students, parents, or close adult relatives of students to report an incident. Once the incident has been reported, school staff will conduct a thorough investigation.

### **RESPECTFUL CONDUCT AT SCHOOL SPONSORED EVENING EVENTS**

Fields Road Elementary School considers school-sponsored, PTA-sponsored, and community events to be an integral part of the education of its students. As a school, we also acknowledge our duty to maintain order, protect the integrity and safety of students and personnel, and preserve the facilities of the district during such events. Therefore, spectators as well as participants are responsible for establishing and maintaining a positive, respectful, civil and polite environment at school-sponsored and hosted events.

### **TELEPHONE CALLS**

Teachers and students will be called to the telephone only for emergencies. Students will be permitted to use the hallway phone during the instructional day if given permission by their teacher or administration.
