February 2020

## Literacy

This month, in literacy, we are working on the theme: Imagine It, Make It. The students will be learning to demonstrate an understanding of basic features of print. They will learn to recognize upper and lower case letters of the alphabet and letter sounds. Our goal is for all students to be able to identify all 52 letters and 26 letter sounds. Students who have mastered the 52 letters and 26 letter sounds are working in small groups on guided reading. Please continue to work with your child at home with letter identification and letter sounds. We are completing letter, picture, and word sorts.

## Math

This month, in math, the students will identify written numerals 0-20. The students who have mastered 0-20 are working on 0-50 and 0-100. They will verbally count to 10 by ones and then work on counting to 20, 50, and 100. Our goal is to have all students count to 100 and identify all the numerals from 0-100. Students will also be identifying simple shapes, sorting, measuring, and comparing lengths. Our goal is to have all students count from 0 to 100.

## Counselor's Corner

February 2020

**Clothing to Cash:** Please continue to donate to the white **Clothing to Cash** collection bin located near the side parking lot. This bin is used to collect unused and used (in all conditions) clothes, shoes, sneakers, sheets, towels, and textiles. Just place your used/unwanted items in a plastic bag (tied) in the bin, and for every pound collected, Glen Haven Elementary will receive money.

### Monthly Parent Connection:

**Foster responsibility-** As soon as your child is old enough, give your child small chores -- putting napkins on the table or matching socks in the laundry. They'll learn what it means to be part of a community. (Parenting Style: The 80 Best Tips for Parents from PARENTS)

### Upcoming Events:
