

Kindergarten Newsletter

Ms. Benitez,, Mrs. Hudren, Mrs. Seaman & Ms. Wojnar
February 2020

This month we...

Math: described, compared, and composed shapes.

Social Studies/ Science: we identified jobs, human and natural resources, goods, and services

Writing:wrote about a no-tech day of play activity and gave two reasons why we liked it.

Reading: retold stories by identifying the characters, setting, problem, solution, and main events.

Coming up next month...

Math: we will count by ones and tens, examine patterns of the teen numbers, and as they count across the decade, and identify, describe and represent two dimensional shapes and three-dimensional shapes.

Social Studies/ Science:we will conduct investigations of how pushes or pulls can change the direction of a rolling ball.

Writing: we will be writing our opinions on a topic, and write key details.

Reading: we will be identifying and using captions and illustrations, and making inferences.

Thinking and Academic Success Skills (TASS):

Synthesis

Putting parts together to build understanding of a whole concept or to form a new or unique whole.

Effort/Motivation/Persistence

Working diligently and applying effective strategies to achieve a goal or solve a problem; continuing in the face of obstacles and competing pressures.

Please Reinforce These Skills at Home:

Tying shoes and zipping coats independently.
Sight word recognition (see homework for the list of words we work on each week).
Arriving to school with necessary materials.
Counting to 100 by 10s, 5s, and 1s.
Writing numerals to 20.
Identifying characters, setting, problem, and solution in books.

Upcoming Dates & Reminders:
