Q 1 of 5 Mrs. Stone was really proud of her 2nd grade class. She couldn't believe how many kids knew how to play musical instruments and she wanted make a graph to show the other classes how well they were doing. Here is the information she used to make the graph.

Instruments	Piano	Drums	Trumpet	Flute	Guitar
People	3	7	1	5	2

Bar graph showing the number of people for each instrument.
