Rockwell Register

Special Edition

Kindergarten Registration is Happening Now!

Rockwell is excited to register a new class of kindergarten students this spring to begin in August 2022, when our school year begins. Students must be 5 years old by September 1, 2022, to be eligible. We will consider Early Entrance to Kindergarten (EEK) for students who turn 5 years old between September 1–October 15, 2022. There is a testing process for this and you must register for it in advance. Please contact Mrs. Shae Nelson for more information about Rockwell's EEK procedures at 240-740-5180. More information about EEK can be found on the MCPS website [here](#).

Registration for kindergarten at Rockwell began on Monday, March 28, 2022.

Registration information is at this [link](#). If you prefer to bring in your documents and register in-person, please call Mrs. Nelson and she can suggest a day for you to come in. In-person is not required, but Mrs. Nelson can answer any questions that you may have when you bring in your paperwork.

Orientation for Rockwell kindergarten students will be held on August 17th and 18th. Your child must be fully registered before they can be on our roster for orientation. At the orientation, your child will be given their Chromebook, charger, carrying case, and Chromebook use contract. *All registration documents must be on file with us in order to receive a Chromebook at orientation.*

Kindergarten Parent Q & A Zoom Meetings are scheduled for April 25th and April 27th 2022. These sessions are for all parents of incoming kindergarten students. Please register [here](#) if you would like to attend. We will send you the link via email. These meetings are voluntary.

Questions about Kindergarten Registration or Orientation? Call Mrs. Shae Nelson in our main office at 240-740-5180.

Please forward this information to your friends and neighbors who have an incoming Kindergarten student!
