

Good evening Rosemont Families,

I hope you are staying safe and healthy. This week's Rosemont Community Connection features four important messages.

### **Student Item Pick-up**

On Monday, June 15 and Tuesday, June 16 from 10:00 am to 3:00 pm your child's personal materials will be available for pick-up at Rosemont. Pick-up will occur outside the building and students should not bring any materials with them. Chromebooks, instruments, and library books are NOT being collected at this time.

### **Please be prepared for pick-up with the following:**

- Write your student's name, and teacher's name in large writing on a piece of paper before arriving at Rosemont. This needs to be seen by the person greeting the cars and distributing student belongings.
- Wear a mask and practice safe social distancing.
- Enter the bus loop for pick-up.

### **FREE Summer School**

FREE Virtual Summer School is available for all MCPS students! At Rosemont, we are offering Math, Literacy, Coding, Digital Art, Yoga, and Author Study classes. Each child may select three classes. All classes begin on July 13 and end on July 31. You must register online. The registration link will be posted on the Rosemont website this week! Registration ends on June 30. Don't miss out! Sign up now!

### **Community Resources**

In consideration of current events, it is important to remember our commitment to equity and that we belong to an amazing school community that embraces diversity. Attached are conversation starters and online resources to support students in regard to the social and racial unrest in our country.
