Due to MCPS COVID19 guidelines ONLY students and staff may be present for this event!

Say "YES" to the TEST

Montgomery County Public Schools (MCPS) is asking all families to consent for their children, at all grade levels, to receive **free** COVID-19 testing at their school. Testing helps to keep schools open and students and staff safe. Parents/guardians must consent for their children to participate in the COVID-19 screening and rapid tests but only need to fill out **one** form to give their permission. The consent form is available in multiple languages and can be [filled out online](#) or schools can provide paper copies for families. If you have any questions, feel free to contact the school.

The Holiday Giving Project

The Holiday Giving Project has been providing Thanksgiving and December holiday assistance for over 30 years. To request gift cards, click [HERE](#) to apply. You will be contacted before the

Thanksgiving and December Holiday for a pickup date. For questions regarding the Holiday Giving Project, please contact Ms. Molly Kim, parent community coordinator at 240-550-3975 or via email at molly_s_kim@mcpsmd.org.
