

Connect-Ed Message – 08.22.21

Greetings, Shriver Families!

This is your principal, Mrs. Brown, with an important “TERP” message.

Please update your addresses, telephone numbers, and email addresses so we can keep you informed.

As we begin the school year, there are no occupancy or physical spacing standards in schools. MCPS encourages schools to consider how the outdoors can be incorporated during the school day to support lunch. Sargent Shriver Elementary School is developing plans to include eating lunch outside as much as possible to reduce capacity during the lunch period.

We will continue to ensure all students are wearing masks when they are not eating. Also, we want to ensure there are opportunities for students to socialize and make friends.

Currently, MCPS is asking schools to hold off on making any lunch plans involving parent volunteers. We recognize that it is not easy to adapt to the ongoing changes. However, we will ensure we are providing safe learning experiences for our students.

Open House is scheduled for Thursday, August 26, from 10:00 am to 12:00 pm. There is no need to purchase school supplies. On the first day of school, all students will receive a backpack with school supplies. The FARM Applications are now available online. Please stop by the school office to complete your FARM application.

Have a great week! I look forward to seeing your children at school on Monday, August 30, at 8:45 in the morning.

Until next time, this is Mrs. Brown signing off!
