

MS. Kim, First Grade Teacher

All about me:

I was born in South Korea and moved to the United States when I was 3 years old.

Mountain biking is my favorite hobby! I ride at least 2-3 times a week at nearby trails.

I love to travel! My life goal is to hike all of the National Parks. I enjoy taking pictures, collecting postcards and rocks from around the world.

I am a huge foodie who loves to eat and cook.
