

Mrs. Urbantke, Gr 1

About Me:

I graduated from University of Maryland with my B.A. in Theatre and B.S. in Early Childhood Education and Towson University with my Masters in Special Education.

My favorite hobby is baking! I like to bake lots of yummys but cakes are my favorite.

I am originally from Maryland and love playing at the beach with my family and eating crabs from the Chesapeake Bay. I live with my husband, three children, dog and cat in Silver Spring.
