New: Safe Routes to School Walkability Survey

The Montgomery County Department of Transportation is conducting a survey to get an understanding of the current landscape of safety for students traveling to and from school. This will help MCDOT understand the safety needs and concerns of parents and students as they walk/roll, bike, or scooter to school. Your input will help MCDOT better understand the needs and challenges faced by our schools and ultimately inform initiatives that support student success.

The survey should take approximately 10 minutes to complete and can also be accessed via this link (Click your school name): [Safe Route to School for Students - Montgomery County, MD \(montgomerycountymd.gov\)](https://www.montgomerycountymd.gov/SafeRouteToSchool)

COSA/Student Transfer Application Season Schedule from the first school day in February through the first day in April 2025

ROCKVILLE, Maryland – Montgomery County parents/guardians who wish to request a Change of School Assignment (COSA) for their children from their home school may begin the process during the upcoming transfer season; from February 3 through April 1, 2025.

Students in Montgomery County Public Schools (MCPS) are expected to attend the school within the established attendance area in which they reside (home school) or assigned in accordance with their Individualized Education Program (IEP). Students may apply for Change of School Assignment (COSA) from the home school, or the school of assignment through the IEP process, based on the following criteria:

- When a documented unique hardship is shown: Students may apply for a COSA when extenuating circumstances related to their specific physical, mental or emotional well-being or their family's individual or personal situation could be mitigated by a change of school assignment.
- When a family moved within Montgomery County who wish to continue attending their former home school may request a COSA without demonstrating a unique hardship. Such requests may be considered for a remainder of the current school year only, with the exception that students in Grade 11 or 12 may be granted a COSA to stay through high school graduation.
- When a student seeks to attend the school where a sibling will be enrolled in the regular/general school program, or a special education program, during the year the students wants to enroll.
 - ▶ When a sibling attends a magnet, language immersion or other application program at elementary level, a COSA may be approved to the regular school program for other sibling on a case-by-case basis. Such approval requires consideration of available classroom space, grade-level enrollment, staffing allocations, or other factors that impact the schools involved.

The criteria above regarding siblings do not apply if a boundary change has occurred or if the sibling is in PreK.

Consideration will be given to school capacity and other issues that impact the ability of the requested school to admit new students.

The transfer process begins in the home school, where parents/guardians may request the Change of School Assignment (COSA) Information Booklet through ParentVue. The booklet describes the process, and provides useful information. Beginning the first week of February 2025, the COSA booklet will be available in both English and Spanish. Exempt countywide programs that do not fall under the transfer guidelines are listed in the booklet.

New for the 2025-2026 school year, parents must submit their request for a change of school assignment (COSA) online through their ParentVue portal. The parent making the request will be copied on an email notification sent to the administrative team of the student's current school shortly after the submission; this will serve as their "receipt" of request and will be sent to the email they entered when completing the online form.

For information about assignments for students residing in the Northeast, Downcounty or Middle School Magnet Consortium areas, please contact the Division of Consortia Choice and Application Program Services 240-740-7800 or visit the website at www.montgomeryschoolsmd.org/departments/schoolchoice.

For more information about the transfer process, parents/guardians are encouraged to contact the principal at their home school. Non-english speaking students and parents/guardians who may require assistance may contact ASK MCPS to get the information they need by telephone at 240-740-3000. Telephone operators who speak English and Spanish are available from 7:30am to 5:30pm, Monday through Friday. Parents who speak languages other than English or Spanish who call the ASK MCPS telephone line and identify their language will have their questions answered through a telephone interpreter.

Questions about Immigration

For additional Immigration resources, please visit the MCPS website: [Immigration Supports | Montgomery County Public Schools | Rockville, MD](#).

MCPS and SFES believe our schools are and will always remain safe places where every child—regardless of immigration status—is welcomed, valued, affirmed, validated, respected, and loved.

Building administrators have a strict protocol to follow if an ICE agent or any other non-local law enforcement agent comes to a school to inquire about a student(s). Families will be contacted in the event of such an inquiry or occurrence. Families with immigration status concerns should have an emergency plan in place and designate a trusted family member who can care for their children in case of an emergency. Please read the **Standby Guardianship** to learn how to create an Emergency plan.

Hearing and Vision Screenings on 02/25, 02/26, and 02/27

In compliance with Maryland state law, Montgomery County Public Schools conduct vision and hearing screenings for students. Trained screeners will assess the following students:

- Those new to MCPS
- Kindergarten and First Grade students
- Students referred by teachers due to possible vision or hearing concerns

Screenings at Snowden Farm Elementary will take place on February 25th, 26th, and 27th.

Clear vision and good hearing are essential for learning. If your child does not pass the screening, you will receive a referral form by mail to take to their doctor for further evaluation.

If your child is already receiving care for a vision or hearing issue, or if you do not wish for them to participate in the screening due to religious beliefs, please notify the school nurse in writing.

If your child wears glasses or contacts, please ensure they wear them daily and bring them to the screening.

School based vision screenings may not detect every vision problem. To learn more about possible vision problems and symptoms or health conditions that may require additional evaluation go to Montgomery County Government's website at this link:

<https://www.montgomerycountymd.gov/HHS-Program/PHS/SchoolHealth/HearingVision.html>

Contact your school's nurse if you have questions about your child's screening.

Read Aloud Day on March 6th

Hi Snowden Farm Families! Our third annual Read Aloud Day will be held on March 6, 2025. I am going to run it a little differently this year and have our readers come in during a portion of the literacy block in each grade level rather than all at one time. I have invited community members from various roles within MCPS the past two years and would love to have some parent volunteers this year as well! I choose the read aloud books from the Black-Eyed Susan Award nominees each year and plan a short little lesson to go with each book for each reader so

all of that work is done (and I promise it will be very simple to follow!) I will need one reader per class in the following time blocks:

- Grade 1: 9:45-10:15 am
- Grade 2: 10:15-10:45 am
- Grade 3: 10:45-11:15 am
- Grade 5: 11:15-11:45 am
- Kindergarten: 11:45 am-12:15 pm
- Grade 4: 12:15-12:45 pm

If you are interested in being a guest reader that day, please complete [THIS GOOGLE FORM](#) and I will contact you in the coming weeks if I am able to use you and provide more details! Thank you for your consideration!

Volunteers Needed to Support Our PTA

We need volunteers to chair many of our PTA sponsored events this year. Please visit our [Committee/Volunteers site](#).

Below is a tentative listing of our events for the year, but we need your help! We need chairs and volunteers to organize and execute our events. Without your help, we simply cannot offer the beloved events that our students look forward to.

Please send an email to info@sfespta.org to chair an event or non-event.

You will have the support of the PTA board to assist you every step of the way!

Events: Grandparents Day; Spelling Bee; Heritage Night; Geography Bee; Pastries with Parents; STEM Fair

Volunteer Opportunities to Strengthen Our Community:

- **Communications** - Communications are critical in seeking event volunteers and keeping our Stallion families informed of upcoming events and opportunities. We are specifically looking for someone to manage our membership email listing and monthly newsletter.
- **Yearbook** - The Stallion yearbook is a treasure each year to our students and a hot commodity. The PTA needs a yearbook coordinator starting at the beginning of the year. Much of the yearbook work is done at home at a time that's convenient.
- **Photography** - We need photographers to attend PTA and school events throughout the year to take pictures for our yearbook.

- **Teacher Appreciation-** We need a coordinator for those times where we show our teachers and staff how much they are appreciated. Coordinating breakfast and lunches throughout the year

Other Reminders

- Please remember that classroom instruction begins at 9:00 AM. Our doors open at 8:45 AM and we ask that students enter the building no later than 8:55 AM so they have time to unpack.
- If your student is a walker, we need you to please wait at the bottom of the ramp to allow enough room for students to come down the ramp.
 - In addition, please make sure that you are using the crosswalks to go across the street.
- Please remember to send your child with a winter jacket, hat, and gloves as needed for arrival, recess when the temperature allows, and dismissal.
 - If your child needs a winter coat, please reach out to Ms. Pena or Ms. Lockett.
