

MEET THE TEACHER!

Mrs. Williamson

The Basics!

Hi! I am Ms. Williamson! I will be your child's 4th grade homeroom, reading, writing, science, social studies, and possibly math teacher for the 2022-2023 school year. I have lived in Maryland my whole life and am a product of MCPS, but definitely do enjoy traveling to new places! I also love outdoor activities and spending time with my husband, 2 children, and pet. We have a cat named Big Mama. This will be my 17th year teaching and my 5th year at Stone Mill Elementary. I am so excited to make this the best year yet!

MY CHILDHOOD!

I grew up in Potomac with my parents and older brother. I attended Carderock Elementary School, Pyle Middle School, and Walt Whitman High School. Throughout my childhood, I loved to be outside and loved to play sports. I played on soccer and softball teams.

HOPKINS

MY EDUCATION!

In the spring of 2006, I graduated with a Bachelor of Arts in Elementary Education from Goucher College in Baltimore, Maryland. In 2012, I earned a Master of Science in General Special Education Studies from Johns Hopkins University. I continue to take classes every year!
