

TMES Summer

Challenge 2022

This summer, we challenge you to try something new! There are so many fun STEM activities on the “STEM at Home Menus 1,2,and 3. Choose your favorites or try them all! Draw, design, create, build and test...there are so many possibilities! Work alone, with a partner, or form a small group and explore these amazing learning opportunities. We can't wait to hear all about it when you return from break. Have a great summer and enjoy taking the TMES Summer STEM Challenge!
