

Clarksburg High School

December 2021

# Scholar Holler

I am very excited about the guest speakers we have coming up!

Travers, Brittney, Khanita, and Diana are all CHS alumni! Just a reminder that these speakers are providing you with information about their education and career path to help you with ideas for your Showcase and to start thinking of your future. You are required to see 2 speakers each semester but can see as many as you'd like!

Please feel free to request certain types of speakers you'd like to see. I would love to provide guests that interest you!

### Need Help?

As we head towards the end of the semester remember to reach out if you need help—mentally, emotionally, or academically. Ms. Clements is available and these groups within CHS.

The QR code will take you to a page of suggested supports!

### APPS Faculty Spotlight

Lori Martioski-Taylor

This is my 5<sup>th</sup> year at Clarksburg High school and my 25<sup>th</sup> year teaching chemistry. I am really glad I made the change 5 years ago to CHS. The students and staff are so friendly, I feel like I am at home here. It is great to have former students stop by my class to say hello, especially after a year of virtual teaching. It is great to see the hard work all students put in and how they put their own unique spin on the activities they are involved in.
