grade field trip to  
Planet Word

November 14th -  
Guest speaker Noella  
Anyangwe- Global  
Health

November 15th -  
Guest speaker Annie  
Mullin Public Health

November 17th  
Guest Speaker  
Caroline Ta  
Entrepreneur/ Baker

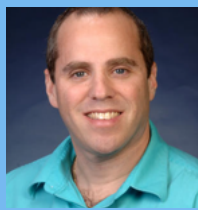

Date TBD  
Guest Speaker  
Tristan McCall JHU  
Applied Physics Lab

December 13th-  
Guest speaker John  
Cardea- Computer  
Engineer (AR & VR)

Date TBD  
Craig Schlenoff  
Robotics for NIST

## Coordinator Clements's Comments

Happy Fall! The leaves are turning and the weather is getting cooler and that means that this school year is well on its way. Friday November 1st marks the last day of the marking period. I hope that you are doing everything you need to do to make sure that your work is turned in and you are prepared for a strong start to marking period 2. I am really trying to focus on field trips this year. Some obstacles I have come up against are the cost! The price of transportation has increased tremendously. I want to take trips that are not cost prohibitive but it is becoming a challenge. The best trips are those that are local and don't require a bus. Some senior APPS students took the metro for a field trip to the National Gallery of Art.

The sophomores are headed to Planet Word later this month and we have some exciting guest speakers lined up.

It seems that there isn't momentum around a Spring Break 2025 trip to Peru OR Southeast Asia so we are switching gears and looking at a trip called "A Taste of Italy." This trip will see historic and cultural highlights of Italy but will also include experiences in the culinary arts. There will be an interest meeting via zoom at 7pm on Wednesday November 7th. More info will be sent out via Canvas.

Parmesan and balsamic tasting in Bologna, Olive Groves in Florence, Capri by boat and pizza making in Rome.

If you missed the meeting on October 1st you can find info in canvas.

# November Students of the Month

Students of the month are nominated by their teachers for their hard work in class.

Mihir Panwalkar

"Mihir is the real deal. Not only is he prepared to go to college, I'm pretty sure he could leave CHS and run the country"

**Class of 2025**

Abigail Cho

"She is the epitome of hard work=success. She is proactive and takes her education seriously"

**Class of 2026**

Kayla Justo

"Kayla has demonstrated incredible academic strength in through her understanding of challenging literature and phenomenal writing skills."

**Class of 2027**

Charlotte McTimoney  
"Charlotte is friendly, helpful, insightful and great at collaboration"

**Class of 2028**

## Alumni Spotlight

## Alumni Spotlight

Dr. Anik Saha was our first guest speaker last year. He was also in the first class of APPS students! He attended the University of Pennsylvania College of Medicine and recently opened his own psychiatry practice, BraveMD. Dr. Saha specializes in Anxiety and Obsessive Compulsive Disorders

It is thrilling to follow our student's success stories as they continue to make the world a better place.

Marley Pinsky graduated from CHS in 2023. At Clarksburg, Marley was deeply involved in Youth and Government serving as our club's President and as the Youth Governor. She currently attends the University of Pittsburg where she studies Urban Planning and Politics. She was recently involved in a voter registration drive where she received media coverage for her efforts.
