## Coordinator Clements's Comments

It's almost Spring Break! I am getting very excited as some APPS students, families, and friends get ready to embark on our Spring Break trip to Greece. A quick reminder that next year we will be traveling to Italy. I will be planning another informational meeting soon!

This month is a big month for the APPS program as we welcome in new members and start the process of saying goodbye to our Seniors. On April 24th at 6:30 the seniors will present their Senior Showcases in the media center. All are invited and encouraged to attend! Starting at 7pm on the 24th we will have our induction ceremony for the next class of APPS students.

AP Exams are right around the corner. It is never too early to start studying. Here are some study tips from our seasoned AP test takers.

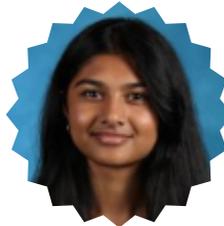

**Adib- Start studying early... like in January**

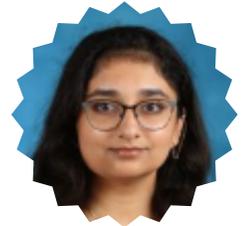

**Nathanael- bulk up your content knowledge across different courses**

**Mihir- Get Princeton Review books**

**Sasha- if you're running out of time, listen to a lot of Heimler videos**

**Zaina- take a bunch of practice tests**
