Coordinator Clements's Comments

April was a PACKED month with our Spring Break Trip to Greece, new APPS member induction ceremony, and Senior Showcase presentations.

Thirty eight people traveled over Spring Break to Athens and The Aegean. We spent some time in mainland Greece learning about the Parthenon and traveling to Delphi. Then we boarded a cruise and got to see some of the island life of Greece.

Learning about pirates in Mykonos.

Palace of Knossos in Crete. Home of the Minotaur.

APPS 9th graders at the Parthenon!

Learning about The Oracle of Delphi.

Soaking up the sun in Santorini.

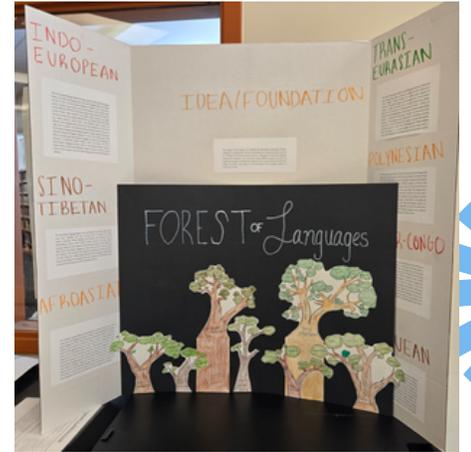

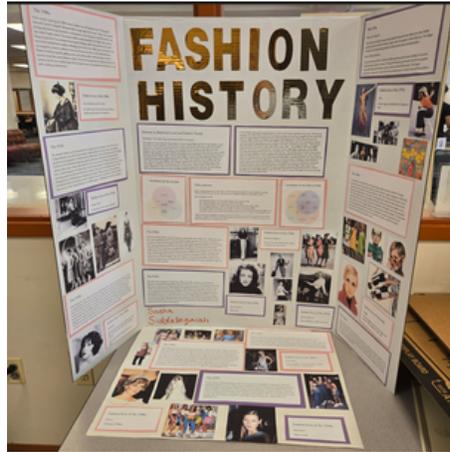

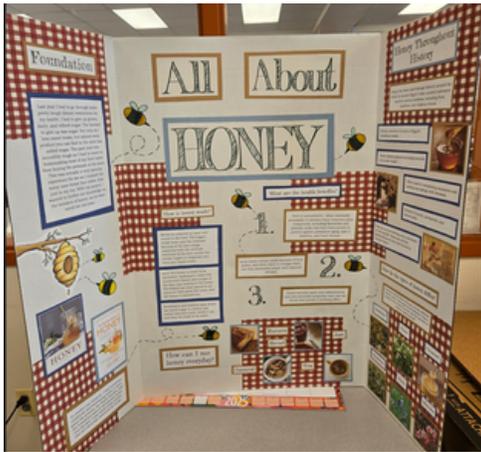

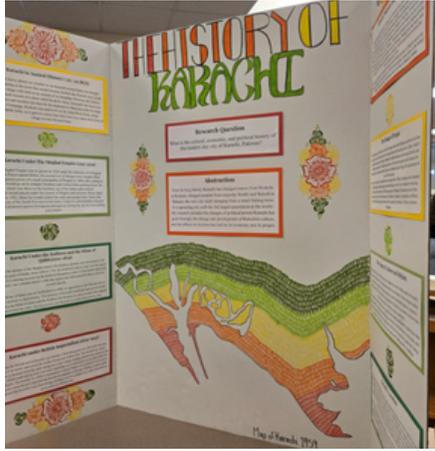

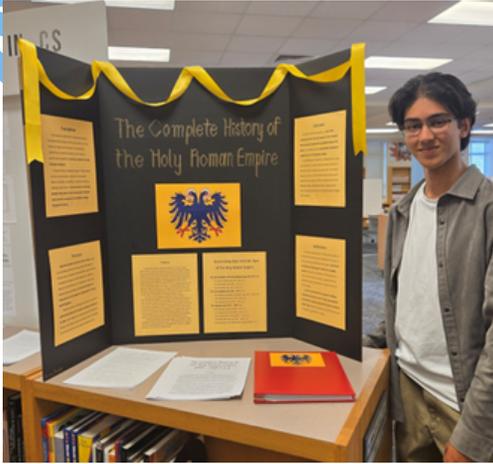

Swimming in the sea in Rhodes- Turkey can be seen in the background!

Our new APPS Members at the APPS induction ceremony on April 24th.

Senior Showcases are always intriguing. There is so much to learn and our seniors have such varied interests and passions.

May Students of the Month

Students of the month are nominated by their teachers for their hard work in class.

A lot of students effort peter out during their senior year and stop working hard. Not Maya! She still puts in the maximum effort every day!

Class of 2025

Oli Hart

Oli is genuinely curious. It is not enough to know what the right answer is, she also seeks “the why”.

Class of 2027

Grace is a stellar student, great person, and a role model to her peers. Grace is great with time management - she plays multiple sports, is involved in many organizations but still prioritizes her classwork and assignments. She is always prepared, performs well on assessments and makes use of all her class time. On a daily basis in APES class, she walks in, reads the agenda, gets out the respective papers and/or supplies and tackles the day's learning even before I (the teacher) have said a word. She makes use of all her minutes, focuses on task and participates when appropriate. She is also friendly and kind

Class of 2026

Haven Lucas

Haven is a go getter and an organizer. She doesn't wait for teachers to ask for help, she jumps in and does what is needed!
