John F. Kennedy High School IB Registration for 2015

Dear IB Families:

International Baccalaureate courses are portfolio-based, so students complete several assessments in each class for both class grades and scores which are submitted to IBO. Some of the courses have timed written examinations in May, and some have other forms of assessment. Please check with the teacher for the requirements of specific courses. All components need to be submitted for each course in order to receive a score from IBO.

In order to register to receive a score for your coursework, which can be transferred as credit to most colleges, please complete the information below and select your classes on the reverse side of this letter.

- Return this registration form to the IB Office no later than **2:15 pm Friday, October 31, 2014**. You will be billed for the fees based on your waiver/subsidy documentation.
- IB exam fees are spread across the junior and senior years. Fees for current senior diploma students are \$810 total, which can be broken into four payments).
- Payment needs to be by check or money order **payable to John F. Kennedy High School**, or you can pay online by going to the Kennedy website. Scroll down to "Online Payments" and select obligations. You will see IB exams listed as one option, and you can enter the total for the registration and exams you are taking.
- Please see the supplemental forms for information about the optional payment plan and/or the need-based fee reduction plan.
- IBO charges substantial fees for registration changes after the initial registration date. **The student is responsible for any fees resulting from registration changes the deadline.** Late registration is finalized with IBO by January 15, 2015. Registration cannot be changed after this date, and students will be billed for the amount of their testing fees.
- For questions, contact Ms. Wahrman – [Stacey J Wahrman@mcpsmd.org](mailto:Stacey_J_Wahrman@mcpsmd.org) or (301) 929 – 2159.
