WELCOME STUDENTS!

Welcome to Magruder's Family Connection website, a great resource for researching colleges and universities on the "Colleges" link. A wealth of financial aid and scholarship information is available under "Scholarship & Money." Be sure to check the "National Scholarship Search" and "Scholarship Match" links. For students who are not seniors, there is also plenty of useful information on Family Connection. The "About Me" link will help you get organized and the "Careers" link is a great resource for getting started thinking about future interests. Please feel free to stop by Magruder's College and Career Center for any additional help using this great website!
