Student Parking Permits

Students granted parking privileges are expected to obey all parking lot regulations, which will be strictly enforced.

Please be sure your permit is visible, facing the front and hanging from the rearview mirror so the sticker number can be seen through the windshield. Violations of parking regulations will result in the loss of the parking privilege. The parking lots will be monitored routinely for safety, valid permits, and proper display of permits. A warning sticker will be placed on any vehicle without displaying a permit. The first offense will result in the loss of the parking privilege for two weeks, and the second offense will result in the loss of the parking privilege for the rest of the semester. Towing will be strictly enforced and at the owner's expense. **According to MCPS ECG-RA Parking Facilities and Student Driving, there will be no refund of fees when a parking privilege is revoked.**

I have read the rules above, and I understand that violating the Student Parking Regulations will result in the loss of my parking permit.
