Students created short stories about people and communities around the world, and linked them with a common theme or motif.

Islam:
A Way of Life

With about 1.6 billion followers, Islam is the second largest religion and the fastest-growing major religion in the world. The five pillars of Islam, which are basic concepts and obligatory acts of worship, touch on virtually every aspect of life and society. The impacts of Islamic practices and views are present in many countries and cultures. These are their stories.
