

PLUMBING

SAVE THE PLANET! Plumbers protect the health, safety and comfort of the nation!

How? Ask Me.

Receive the Maryland State Plumbing/Gasfitting Apprentice license AND up to two years of the four year requirement for licensure as a *Maryland Journeyman Plumber/Gasfitter*.

Students apply their knowledge and skills in hands-on performance profile tasks in the installation of water, drain, waste, vent, gas piping and fixture/appliance installation at the *Young American Student-Built House project*.

Classroom and lab activities will include a variety of hands-on laboratory experiences, class discussions and critiques, open-ended problem solving, work-based learning and project-based learning.

Students will be required to draw upon academic skills in the areas of mathematics, science, language arts and technology.

Instructor: Stanley J. Holcomb, Master plumber/gasfitter lic. In DC, MD & Va
