

Academy of Health Professions

Certified Clinical Medical Assistant
Foundations of Medicine and Health Science
Structures & Functions of the Human Body

Impact your community, the nation, and the world! Health careers offer opportunities for growth, security, and stability immediately after graduation!

WANT TO BE EMPLOYED FOR LIFE? Employment in healthcare occupations is projected to grow **FASTER** than the average for **ANY** other occupation. Currently, the healthcare industry is expected to add 2.3 million jobs by 2024 (Bureau of Labor Statistics 2016-2017).

WANT TO EARN A GREAT SALARY? The median wage for health care practitioners and technical occupations is **HIGHER** than the median wage for **ALL** occupations in the economy (Bureau of Labor Statistics 2016-2017).

WANT TO TRAVEL THE WORLD? A variety of healthcare opportunities for volunteers and temporary or permanent positions exist across the globe!

All students gain the knowledge and experience required to practice in the healthcare setting. Students will have the opportunity to earn their Cardiopulmonary Resuscitation and Certified Clinical Medical Assistant certifications!
