Dear Incoming 9th Grade and New to Sherwood Families

Welcome to Sherwood High School. It is official, you are now a warrior! We are excited to have you join us and be a part of all the wonderful things our students and staff are doing. In order for your child to become acclimated to our school, we are hosting an in-person orientation on Thursday, August 24, 2023, from 7:45 am until 11:30 am. There will be MCPS buses running on this day and we have attached information on bus routes. The orientation will allow your child to get a chance to meet all of his/her teachers and other key staff members. The students will follow a period by period class schedule in order to learn how to navigate around the building without having to deal with the crowd of upperclassmen. We will also have some other fun events planned for that day, so please have your child join us.

We are also having our “Back to School Night” on Thursday, August 31, 2023, at 6:30 pm. We will have a special club and activity presentation from 6:30 pm until 6:55 pm. We highly encourage all incoming 9th grade parents and those new to Sherwood to attend the club and activities presentation. We will have tables set up throughout the building with representatives to share information about clubs and other activities that your child may be interested in joining. The “Back to School Night” program will allow for the parents to follow their child’s class schedule and meet each teacher. The classroom visits will begin at 7:00 pm.

Please mark these two important dates on your calendars. I look forward to meeting everyone soon. Have a safe, healthy and restful remainder of your summer!

Respectfully yours,

Tim Britton
