

WHO IS ELIGIBLE TO PARTICIPATE?

- Seniors need a 2.50 unweighted cumulative GPA and juniors/sophomores/freshman need a 2.75
- Students need qualifying test scores to show college readiness*

Test Scores that meet minimum eligibility – sections from different tests can be used

- SAT: 480 on Evidence Based Reading & Writing or 26 Reading sub-score; 530 on Math
- ACT: 21 on Reading; 21 on Math
- ACCUPLACER: qualifying assessment levels as listed under course description
- AP exam scores may be used to meet some course prerequisites

Students without the above test scores may:

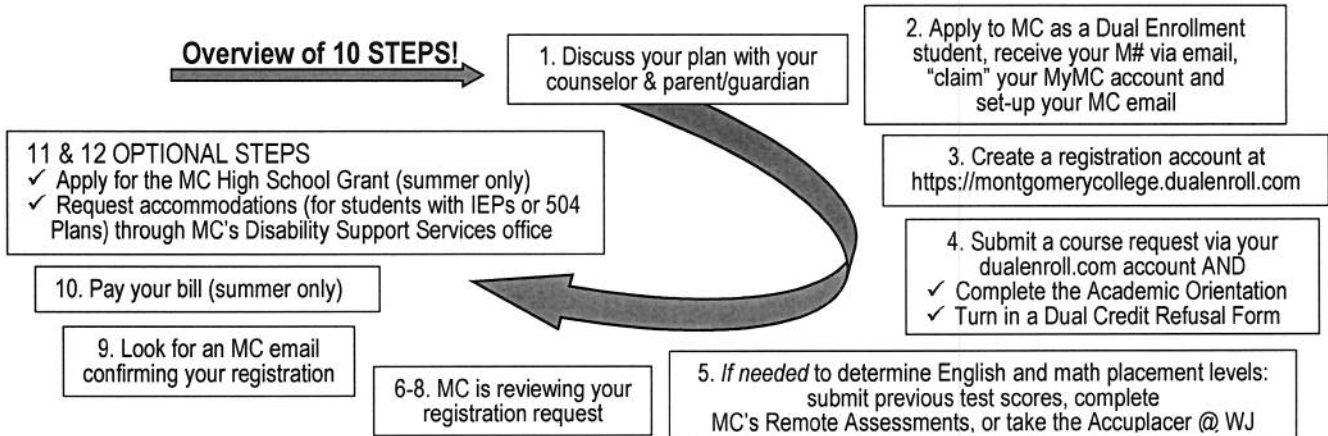

- Take MC's remote English and ALEKS (math) assessments to determine their placement levels
- Use grades from specific high school courses through MC's Alternate Placement Program (APP)
- Register in MC courses that have no prerequisites or assessment levels

*Seniors & Juniors with a 3.0 or higher unweighted GPA are placed at ENGL101/011 and MATH117 or MATH120 which allows them to take many entry-level courses without submitting test scores

HOW DO I REGISTER FOR A CLASS?

Search for *Montgomery College Dual Enrollment* and find all ten enrollment steps with links under "Admission and Registration Procedures" or use registration directions on the WJHS site > Academic Programs > Dual Enrollment

Overview of 10 STEPS!

For more information and help registering for an MC class, contact WJ's Dual Enrollment Program Assistant (DEPA) Ms. Dentes at antonia_m_dentes@mcpsmd.org or visit WJ's Dual Enrollment Office in Room 138A

SUMMER 2023 ~ FALL 2023

**A Montgomery College &
Montgomery County Public Schools
Dual Enrollment Program**

WHAT CLASSES CAN I TAKE?

Classes taken during the school year are chosen from this *list of approved courses* <https://tinyurl.com/mcps-mc-courses> that can be used for dual (both high school and college) credit* and can transfer to the University System of Maryland**

Summer classes only need to be on the list of approved courses if dual credit is sought

Students can find classes by searching for “Montgomery College Dynamic Schedule”

- Students must meet Pre-requisites and Assessment Levels shown in the course description
- Students should request classes that are held at the beginning, end, or outside of their WJ school day
- WJ schedules can be abbreviated for students to arrive late or leave early
- Students may drop two high school classes for each 3-credit course as determined with their counselors

*If dual credit is accepted the MC class will appear on the student’s HS transcript and the grade will be calculated into the GPA as 1 weighted credit (like an AP class)

**Students intending to transfer credits to other schools should contact those admission offices to determine if MC credit is accepted AND if the course may be used for high school credit

WHERE WILL CLASSES BE HELD?

Students can take classes online, on campus, and at WJ!

Eligible seniors and juniors may register for these Fall 2023 MC classes taught at WJ by college faculty:

- ~ Foundations of Human Communication/COMM 108, M & W, 7:45 - 9:15 a.m.
- ~ International Relations/POLI 203, T & Th, 7:45 - 9:15 a.m.

(Spring 2024 classes at WJ will be: Intro to Business/BSAD 101, Controlling Stress & Tension/HLTH 212, and Intro to Abnormal Psychology/PSYC 221

Students can register in other MC courses, that may be offered in one of these formats:

- Remote Learning (synchronous) with scheduled online class times using Zoom or similar platform
- Distance Learning (asynchronous) without direct instruction or scheduled meeting times; students work independently
- In-person instruction at one of MC’s three campuses: Rockville, Germantown, or Takoma Park/Silver Spring; students provide their own transportation to/from campus
- Hybrid/Blended combine in-person and virtual instruction

See back of pamphlet for registration steps

WHEN DO I REGISTER? (Dates are subject to change)					
Semester	Courses can be viewed on MC site	Courses can be requested on dualenroll.com*	MC High School Grant Deadline	Sessions Schedule	Registration dates for WJ students
