

Student drop off and pick up areas are in the lower lot. For safety reasons the front of the school is not to be used for dropping off or picking up students during arrival (6:45 - 7:25) and dismissal (1:45 - 2:20). Please note the traffic pattern for the lower lot. Student parking will be accessed by turning left after entering the parking lot. The lanes between the parking rows are ONE WAY heading toward the school building. Two lanes, as you enter the parking lot, are provided for student drop off in the morning and pickup in the afternoon. After dropping off students, cars should proceed to the far end of the parking. Please note that we have a new traffic pattern for exiting the parking lot. There are two lanes to be used to exit the parking lot, one for northbound Wootton Parkway and one for southbound Wootton Parkway.

NOTE: ONE ENTRANCE LANE AND TWO EXIT LANES
