Principal’s Message...

Hello Benjamin Banneker Middle School Families,

I hope this communication finds you well. It is with great pleasure that we welcome our school community back to school for an exciting year of teaching, learning, and student well-being. I am looking forward to our continued collaboration on behalf of our students and staff to ensure that we have a positive educational experience as we work to help students become the best version of themselves. The BBMS staff are working hard to ensure that the learning environment will be warm, welcoming, and conducive to learning and wellness upon entering Benjamin Banneker Middle School.

During the 2024-2025 school year, Benjamin Banneker Middle School will experience our initial year as a Title 1 and Community School. As we embark on this journey, we want to encourage our Bobcat families to actively shape our school's future. Whether you are a student, parent, or community member, your contributions and ideas are valuable and necessary to make our school the best it can be. A continued goal for this year is to cultivate a partnership with families and the Parent Teacher Student Association (PTSA). We encourage you to engage in the BBMS community through the PTSA.

This summer, the BBMS community has begun re-imagining our core values and their impact on the mission and vision of BBMS for the years to come. To ensure that learning is our top priority, BBMS is adopting a **new cell phone policy in which students will keep phones “Away All Day.”** Please see the [linked article](#) regarding the impact of cell phones on student learning and well-being. Our teachers are dedicated to providing a high-quality education that will empower our students to become lifelong learners and leaders. We believe that a solid educational foundation is the key to success, and we are committed to providing our students with the tools they need to achieve their goals. We are excited to see our students grow and flourish.

The BBMS Bobcat Bulletin will be emailed home every Friday evening and posted in the principal corner on our school [website](#). Please do not hesitate to contact me at 240-740-6250 or Ahmed_Adelekan@mcpsmd.org.

SCHOOL HEALTH SERVICE

There is a school nurse and health technician assigned to Benjamin Banneker Middle School. The health room hours are 8:00am-3:00pm. The priorities for school health personnel are: emergency care for students who are seriously ill or injured, communicable diseases and control; health appraisal and follow-up with the establishment of health care plans and crisis intervention.

It is important to note that prescriptions and over-the-counter medications are subject to strict guidelines. Students are not allowed to bring to school, carry or self-administer medication without written authorization from a physician, parent and the school nurse. Prescriptions and over-the-counter medications must be ordered by the physician utilizing one of the MCPS Forms. The forms to use are *MCPS Form 525-13* for administration of medication, *MCPS Form 525-14* for Epipen administration, and *MCPS Form 525-12* for administration of treatment. The forms can be obtained in the health room, school office, school website, or MCPS website. Carefully follow the instructions when completing the forms and for the proper labeling of the medications. Contact the health room at 240-740-6252 if you have any questions or other health care concerns.

7th and 8th grade immunization requirements Maryland immunization requirements for students entering 7th and 8th grade this August (SY24-25). Students entering the 7th and 8th grade must provide documentation of Tetanus-diphtheria-acellular pertussis (Tdap) and Meningococcal meningitis (MCV) immunizations. Students not in compliance with the new requirements will be excluded from attending school until they are in compliance with the State law. MCPS DOES NOT want to exclude students due to a lack of these immunizations. Students may receive these immunizations through their health care provider **or** through Montgomery County Department of Health and Human Services Clinics (schedule of clinics will be posted on our website www.montgomery.org). There will be other clinics once schools are open, but scheduling for those clinics are still in the planning stages. Please watch our website and phone calls home with more information.

WEB SITES AND E-MAIL

A wealth of information is available on the Web site listed below. Many links are available via Banneker's Web page, including the main MCPS home page.

BANNEKER'S WEB SITE ADDRESS:

www.montgomeryschoolsmd.org/schools/bannekerms

TEACHER'S E-MAIL ADDRESS:

In most instances, the teacher's e-mail address is the teacher's first name, middle initial and last name followed by @mcpsmd.org

SAMPLE: John_A_Doe@mcpsmd.org

BANNEKER'S LISTSERV:

Parents are invited to join the PTSA listserv to get daily school announcements. Information about activities, test schedules, fundraisers, etc. is also communicated through the PTSA listserv. Go to Banneker's website at www.montgomeryschoolsmd.org/schools/bannekerms to join. Once your e-mail address has been added, you should start receiving daily announcements within a week. Please remember to keep your e-mail address updated.

BANNEKER'S STUDENT DIRECTORY

The Annual Notice for Directory Information and Student Privacy form (MCPS Form 281-13) is attached. If you do not want Banneker to release your directory information you should complete the "[Annual Notice for Directory Information and Student Privacy](#)" form (attached to this newsletter) and return it to the school main office no later than **September 10, 2024**. Banneker will assume you agree to the release of the directory information, unless this form is returned by September 10, 2024.

All students will bring home a [Notification of Rights Under the Protection of Pupil Rights Amendment](#) during the first week of school. Parents must understand that if they withhold directory information, the decision affects all lists of or references to students distributed or used outside MCPS, whether prepared by the school, PTSA, central services, or other school organizations.

Return this form to your school **ONLY** if you do not want directory information released.

SIXTH GRADE ORIENTATION DAYS

We enjoyed seeing so many of our incoming 6th grade students and families on July 17th during our summer orientation.

The MCPS countywide orientation for incoming sixth graders will be held on **Thursday, August 22, 2024 from 8:15am to 11:45am**. Buses will run their regular routes (refer to attached MCPS bus schedule) and will pick students up at their regular pick-up times and locations. Throughout the day students will follow a schedule to meet their teachers and become familiar with the building. Buses will return students to their regularly scheduled afternoon bus stop.

We strongly encourage all incoming 6th graders to attend this orientation. Also on **Thursday, August 22, 2024**, we will also be hosting an orientation for parents and caregivers in the media center from 8:45am-9:45am. We look forward to meeting you and your students soon!

BACK TO SCHOOL PICNIC

Parents, Guardians, and Students! Please join the Benjamin Banneker Middle School Staff on Thursday, August 22 at 6:00pm at Banneker MS for the annual Welcome Back Picnic. This is a perfect opportunity for you and your students to meet the principal, assistant principals, the staff, see your friends and get acquainted with other students.

We will provide Hot Dogs (Beef and Vegetarian), chips, and water. Come out and join the fun!

FIRST DAY OF SCHOOL

The first day of school for students will be **Monday, August 26, 2024**. Buses will run their regular schedules that day (refer to attached MCPS bus schedule). Please remember that it takes a few days to stabilize the pick-up times. Therefore, it is wise to be at the bus stops at least ten minutes early for the first several days of school.

When students arrive at school on August 26, they should check the lists posted in the front hall to locate their homeroom. Students are assigned to administrative homerooms alphabetically by grade level. The list will show the last name of the first and last student in each group. As an example, Grade 7 HR 1 Abel-Brown. Each student must be able to determine if their last name falls between the two names shown. Teachers will be available to assist students but it will go much faster if parents will work with their children to make sure they understand how to read this list and identify their homeroom. Sixth grade students who attend the half day orientation August 22 will go to the homeroom assigned to them on that day. **Schedules are distributed in homeroom classes.**

BACK TO SCHOOL NIGHT

Banneker's Back to School Night will be **Thursday, September 12, 2024, 6:00 p.m.** Please reserve this date on your calendar so you can come to meet your child's teachers and join the PTSA. Parents will follow their child's schedule to meet his/her teachers. (Please contact the main office as soon as possible if you need any special accommodations or interpreting services for Back to School Night.)

BBMS CHROMEBOOK POLICY

The purpose of this communication is to provide families with information regarding MCPS Chromebook and technology policies. During the 2023-2024 school year we sent communication about [MCPS Chromebook Acceptable Use Policy](#). During school year 2024-2025 Benjamin Banneker Middle School will be adhering to the updated Montgomery County Public Schools policies and procedures as it relates to Chromebooks. Each time a student logs on to a device, it is an agreement to the MCPS policies and outlined in the [IGT-RA regulation](#). Each student at Benjamin Banneker Middle School will be issued a Chromebook for the 2024-2025 school year.

In summary, the policy states, "Each student is financially responsible for damaged caused or loss of any Chromebook and charger that is checked out to the student. The device is loaned and for instructional purposes only. No cost is associated for a student to borrow, possess, or use and MCPS Chromebook. A family is only financial responsible when there is avoidable damage to the device. There is a charge for any lost or stolen devices or chargers." Charges range from \$25 to \$300.

Computers are for educational use only. Educational refers to actions related to assignments given to students by teachers or other staff at Benjamin Banneker Middle School. Students may only use approved software, web resources, and online resources provided by MCPS and BBMS. Activities on any device, network, or electronic communication device may be monitored by the MCPS district authorities. Inappropriate use of the technology can result in *limited or banned computer use* and/or disciplinary consequences.

Montgomery County Public Schools retains sole right of possession of the Chromebooks. The Chromebooks are LOANED to the students for educational purposes. MCPS administrative staff and faculty retain the right to collect and/or inspect Chromebooks at any time, including via electronic remote access and to alter, add, delete installed software or hardware. If you have any questions regarding the Chromebook policy please do not hesitate to contact the BBMS main office.

Sincerely,

Principal

ATTENDANCE

Banneker's instructional day begins at 8:15 a.m. and concludes at 3:00 p.m. All students have a responsibility to attend their scheduled classes and required activities throughout the school day.

- **Full-day Absence**—Student is present less than two hours during the day.
- **Half-day Absence** -
Student *arrives* more than two hours late = a.m. absent
or
Student *leaves* more than two hours before the end of the day = p.m. absent
or
Student leaves school for more than two hours during the day = a.m. or p.m. absent
- **Tardy**—Student *arrives* within the first two hours of the day.
- **Early dismissal**—Student *leaves* within the last two hours of the day.

All absences must be explained in a written note signed by the parent/guardian. If a student is out sick for more than 3 days, a doctor's note is required. This note must be turned in to the main office, within three school days following the absence. Absence notes can also be emailed to Ms. Joseph at Marilyn_Joseph@mcpsmd.org. If an absence note is not received, the absence will be considered illegal under Maryland law. **Family vacations are not considered legal absences.**

Parents/guardians are encouraged to call the school office 240-740-6250, between 8:00 and 10:00 a.m. to report student absence. It is the student's responsibility to make up the work missed. For the safety of our students, we will not release students during the school day to anyone without prior approval of the parent.

The school is not permitted to release students to anyone not indicated on the emergency form.

Cell Phone/Portable Communication Policy

To ensure that learning is our top priority, BBMS is adopting a **new cell phone policy in which students will keep phones "Away All Day."** Please see the [linked article](#) regarding the impact of cell phones on student learning and well-being.

Student Code of Conduct

A detailed description of the Student Code of Conduct MCPS discipline policy can be found on the MCPS website at <https://www2.montgomeryschoolsmd.org/students/rights/>.

StudentVUE

The StudentVUE is a central location for students and their parents, guardians, or other authorized adults to access MCPS student information such as grades, assignments, attendance and class schedule. Contact information can also be reviewed and updated in the ParentVUE account. Please contact the Banneker counseling office with any questions or concerns regarding StudentVUE or ParentVUE.

EXTRACURRICULAR ACTIVITIES

Banneker will be offering a large number of extracurricular (afterschool) activities. Activities will begin sometime in late September. A list of the offerings will be distributed to students to take home sometime in mid or late September. Activity buses will be available, leaving Banneker at approximately 4:35. Students not taking the activity bus home after extracurricular activities are to be picked up promptly by 4:30 p.m.

All RecXtra activities are free to students.

INTERSCHOLASTIC SPORTS PROGRAM

The middle school interscholastic sports program will continue a modified sports program. More information will be shared about this in the upcoming weeks. It consists of softball and cross-country in the fall, basketball in the winter and soccer in the spring. Only seventh and eighth grade students can participate. There will be both a boys and girls mixed grade level team for each sport.

“STUDENTS MUST HAVE A CURRENT PHYSICAL ON FILE IN THE HEALTH ROOM PRIOR TO TRYING OUT for a sports team.”

LOCKERS

Hall lockers:

All students will be assigned a locker during the first week of school. Students will visit lockers before school, before and after lunch, and after school.

Backpacks and coats should be kept in the lockers during the school day.

LOST AND FOUND ALERT!

Each year Banneker donates boxes and boxes of clothes, eyeglasses, shoes, purses, wallets and other belongings to charity. You are asked to label all of your child's personal belongings. Most lost items are stored in the hall near the cafeteria. Lost books/notebooks are kept in the media center and smaller items (glasses, keys, wallets) in the main office. If your child does not find the missing article, you might want to come in and check yourself. **Students are not to bring valuable items to school.**

PHYSICAL EDUCATION

Students are not required to change clothes for Physical Education, however are required to wear safe attire to allow for physical activity.

Below are suggestions of what students can wear:

- T-shirt
- Shorts
- On colder days, students may wear sweatshirts and sweatpants.
- Socks and a pair of tennis shoes with either laces or Velcro fasteners

Online Store

We will open an online store in September which will offer Banneker PE attire. This store allows us to raise money for new PE equipment.

Towels and personal hygiene items

Towels and personal hygiene items will not be provided by the school. Students will need to bring these items from home. These items should be stored in their assigned gym locker, along with their physical education clothes.

Students are responsible for making sure their clothing, uniform and other belongings are securely locked in their assigned P.E. locker. Theft can occur if students do not properly secure their belongings. The school is not responsible for stolen belongings.

INTERIM REPORTS

All Banneker students will receive a school wide progress report midway through each quarter.

Each teacher will complete the progress report with the current grade in each class. Progress reports must be accessed through Synergy StudentVUE.

SAFE ARRIVAL AND DEPARTURE OF STUDENTS

Parents are reminded that the circular driveway in front of the school is a bus loop only and the lower lot is for staff parking only. If you drive your child to school or pick him/her up after school, you must use the student drop off area closest to the tennis courts. This area has been designed to simplify this process. Signs are posted showing where students can be dropped off and picked up. For safety, please follow staff directions in the parent loop.

A number of Banneker students walk to school on the sidewalks along Old Columbia Pike. Walkers are required to use the designated cross walks located at the traffic circle. Students should also use caution when crossing the teacher entrance driveway.

SAFE BUS PROCEDURES

Riding the bus is a privilege, not a right. Bus route numbers are posted on a screen as the buses arrive each afternoon. Students are encouraged to check this board to help locate their bus.

Parents are requested to discuss appropriate behavior for riding the school bus. Reinforce the importance of students remaining in their seats, keeping their arms inside the bus, refraining from throwing objects from the bus, etc. Bus privileges can be denied to students not following bus rules. Food and drinks are not permitted on the buses.

Parents should be aware that while students are closely supervised throughout the school day and on the bus, there is usually no adult supervision once students leave the bus. We strongly recommend that each community consider having parents present at each bus stop. Adult presence at the bus stops will go a long way toward curbing inappropriate behavior.

Students **MUST** ride their assigned bus to and from school. Students who wish to ride home on a friend's bus or get off of their own bus at a friend's stop must bring a note from their parent. Once approved and signed by the principal or designee, the student should give this note to the operator of the bus they will be riding. This practice will normally be approved where space permits. Students who ride a bus other than their assigned one without prior approval can lose bus riding privileges. This applies even if two buses serve the same community.

BACK TO HEALTH NIGHT

All parents are invited to attend **BACK TO HEALTH NIGHT** on Thursday, September 12, 2024, 5:15p.m., in the Room 236. An overview of the Health Program will be presented.

SCHOOL SAFETY AND SECURITY

In order to provide a safe school environment, we will be conducting practice fire drills throughout the school year and six (6) Shelter and Lockdown drills. Please retain the paragraph below “In Case of Emergency” and post it on your refrigerator or other similar location in the event of a real situation requiring evacuation to another site.

Banneker employs security assistants. They serve to monitor student behavior as well as assist administration in conducting school investigations. Security is highly visible and they are available to assist students with all school safety concerns.

CLIP AND SAVE..CLIP AND SAVE...CLIP AND SAVE ...

IN CASE OF EMERGENCY!!!!

In the event of a situation that would require moving Banneker students from the school campus, students would be walked to Paint Branch High School. Announcements would be made on radio and television. Should this occur, only emergency personnel would be able to access the Banneker and Paint Branch sites. To obtain the most up-to-date information, parents should contact Liberty Grove Methodist Church, 15225 Old Columbia Pike, at (301) 421-9166. The church site is for parents or family members only. The media will be directed to Fairland Library or Resurrection Church.

CLIP AND SAVE...CLIP AND SAVE...CLIP AND SAVE...

STUDENT SERVICE LEARNING

All MCPS students are required to earn a total of 75 Student Service Learning (SSL) hours before graduating from high school. SSL is an unpaid activity within the curriculum, school or outside community that provides service to an individual or group to address a school or community need. Students may begin earning SSL credit the summer after finishing 5th grade.

- All community service does not qualify for Student Service Learning. Check the SSL Web site www.montgomeryschoolsmd.org/departments/ssl to see if the organization/event has been approved, or see the Student Service Learning Coordinator. If the activity is not pre-approved, then a special activity approval form must be filled out in advance.
- Service must be performed with a non profit organization, under the supervision of an adult who is not a relative. Activities must be secular (non-religious) in nature.
- SSL verification forms must be completed and submitted to Student Service Learning Coordinator by specific dates. The verification forms are available on the SSL Web site, main office and counseling office. The specific deadline dates are noted on the school calendar.

Signs of Suicide (SOS)

MCPS is enhancing its suicide prevention curriculum using the Signs of Suicide® (SOS®) Prevention Program. The SOS® Program is a youth suicide prevention program that has demonstrated an improvement in students' knowledge and adaptive attitudes towards suicide risk and depression, as well as a reduction in actual suicide attempts. Listed on the Substance Abuse and Mental Health Services Administration's National Registry of Evidence-based Programs and Practices, the SOS® Program showed a reduction in self-reported suicide attempts by 40 to 64 percent in randomized control studies (*Aseltine, et al., 2007; Schilling, et al., 2016*).

Our goals for participating in this program are straightforward:

- To help students understand that depression is a treatable illness,
- To explain that suicide is a preventable tragedy that often occurs as a result of untreated depression,
- To provide students with the education and skills to recognize the signs of serious depression and potential suicidality in a friend, and
- To impress upon teens that they can help themselves or a friend by taking the simple step of talking to a responsible adult about their concerns.

We encourage you to visit www.sosignsofsuicide.org/parent for information on warning signs for youth suicide, useful resources, and some of the key messages students will learn. More information will come before the delivery of these lessons.

Personal Body Safety Lessons (PBSL)

Montgomery County Public Schools is taking an active role in the prevention of child abuse and neglect through early prevention and intervention education.

School Counselors and Health Education teachers will be presenting lessons on the topic of child abuse and neglect. The lessons are known as *Personal Body Safety Lessons* (PBSL) and their purpose is to help students to:

- Develop knowledge, decision making skills, and behaviors which promote safe living in the home, school, and community;
- Learn skills for self-protection and identifying child abuse and neglect;
- Learn skills for asking for help for self and others and practice reporting to a trusted adult; and
- Engage in positive and appropriate interactions with peers and adults.

Restorative Justice at Benjamin Banneker Middle School

At Benjamin Banneker Middle School, **Restorative Justice** is a mindset and philosophy toward school climate and relationship building in a system. It is a social justice platform that will allow our students to:

- actively engage and problem-solve physical, psychological, social and disciplinary issues that affect their lives and the community at large.
- take responsibility for their actions and work with those affected to restore the community and members who were harmed as a result of those actions.

We look forward to welcoming our students back in the next few weeks and opening our doors with **Equity** and **Restorative Justice** in mind.

OUR MISSION

The Montgomery County Police Sports Club (PSC) is a lifestyle program aimed to serve the Montgomery County youth ages 4-18 by connecting the various Montgomery County programs and entities together. The PSC builds a bridge by using athletic, educational and recreational resources to create a cohesive and collaborative network "THE VILLAGE". The PSC supports and encourages the youth to realize

their full individual potential. The PSC strives to assist our youth in developing character, integrity, and life skills, as well as respect for themselves and others. The PSC aims to create a consistent, positive and lifelong connection between our Montgomery County police officers and our youth.

DIRECTORY INFORMATION

Schools provide *directory information* for public listings such as honor roll, awards, and other notices in the newspaper or on the Montgomery County Public Schools (MCPS) website. A student's name, address, and telephone number may also be released to organizations of any combination of parents/guardians, teachers, and students of a school. **Unless you tell them not to**, schools can release the information without your prior consent.

Teachers may also record virtual lessons for future viewing by students in the same class. If you do not want your student's image and voice captured in such recordings, please indicate below.

Directory Information includes the following items: student's and/or parent's/guardian's name, address, e-mail address, and telephone number; student's date of birth; major field of study; grade level; participation in officially recognized activities and sports; degrees and awards received (including honor roll); most recent school attended; dates of attendance; photograph, or other likeness; the weight and height of members of athletic teams; and other similar information.

If you do not want your school to release your directory information, complete the information below and return this notice to your school **by September 10, 2024**.

Additional copies of this notice can be found on the MCPS website, and are available in Spanish, French, Vietnamese, Chinese, Korean, Amharic, and Portuguese.

This form must be completed every year.

Your school **will assume you agree** to the release of the directory information, unless this form is returned by Friday, **September 10, 2024**.

If you need to change your decision at a later date, just contact your school directly.

If you enroll after September 10, 2024, you can complete this form at the time of enrollment.

Montgomery County Public Schools Request to Withhold Directory Information for the 2024–2025 School Year

Choose **ONE** of the following categories:

- Please **do not** release any directory information. (See definition above)
- Please **do not** release the following **part or parts** of directory information. (check all that apply)
 - Name Phone number(s) Photograph Address Date of Birth
 - E-mail address(es) Parent/Guardian names Grade Level

EXCEPTIONS TO WITHHOLD REQUEST MARKED ABOVE:

- Release to organizations of any combination of parents/guardians, teachers, and students of a school
 - Release for Honor Roll publication Release photo for yearbook
- Do not include my student's image and voice in the recording of virtual lessons for future viewing by students in the same class

Student's Name _____ Grade _____ ID# _____

School _____

Parent/Guardian/Eligible Student Signature _____ Date ____/____/____

If you do not restrict the release of certain information about your child, you are giving the school system and local schools the ability to perform daily operations and routine tasks without obtaining parental permission to release each piece of directory information every time it is released.

August 1, 2024

Dear Middle School Parent:

Enclosed are route schedules for buses serving your child's school. Please note the appropriate time, location, and route number for your child. Many routes are designed so that students do not need to cross a major roadway to use the bus. This is indicated on route descriptions by "RSO" (right side only) next to the bus stop notation. Parents should not allow their children to circumvent this safety measure by crossing the road to use a different bus stop if there is one on their side of the street. Parents should contact their depot manager if no bus stops on their side of the street. Students should be ready and waiting to board the bus five minutes prior to its scheduled arrival time. Route numbers are displayed on the side window of the bus.

Students who live within 1.5 miles of the school are not eligible for transportation services if age-appropriate walking routes are available. Questions should be referred to the transportation cluster manager who is responsible for your school. Your school or the Montgomery County Public Schools (MCPS) website can provide you with contact information for your transportation cluster manager. Bus stops previously scheduled may have been eliminated or relocated to provide economies in operation. Every effort is made to minimize inconvenience to students and parents; and provide a reasonable level of service. Saving support budget dollars provides more resources for classrooms.

When bus stops are scheduled at intersections, students should stand safely away from traffic, within 150 feet of the stop. *Parents are responsible for maintaining discipline and safety at bus stops.* Students waiting for buses may choose to stand in carports and garages for protection from the elements. This is acceptable only if: (1) it does not alter the route; (2) it does not increase the number of stops; (3) it is acceptable to all parties involved; and (4) it is reasonably close to the regular stop (so that a substitute bus operator, not familiar with special arrangements, may easily locate the students). Please note: bus operators are only authorized to stop at designated stops; do not request unauthorized stops. MCPS realizes substantial fuel and other operational savings by limiting the number of bus stops.

Students who wish to ride home on a friend's bus, or get off their own bus at a friend's stop must bring a note from their parent. Once approved and signed by the principal, the student should give this note to the operator of the bus they will be riding. This practice will normally be approved where space permits.

Inclement weather creates many hardships for all. It is not possible to provide additional

transportation during winter months or on rainy days, and for this reason, students should dress accordingly. In case buses are not able to reach designated stops due to snow and ice accumulation, parents are encouraged to make advance arrangements with bus operators so that students who live in these areas can board at alternate locations when necessary.

Appropriate student behavior is important to the safety and comfort of everyone. Parents are encouraged to discuss behavior with their children regularly to reinforce this message. It is important that all students follow the rules stated in “*Ride by the Rules.*” campaign. For more information on this, please visit: <https://www.montgomeryschoolsmd.org/departments/transportation/rules/>. Please note: students should not bring animals, alcohol, tobacco, weapons (including toy or “look-alike” weapons), glass containers, or explosives on the bus.

Student transportation can only operate effectively if we all do our part to make things work. Parental assistance and cooperation are needed to provide a safe transportation system for student riders.

Sincerely,

Shantae M. Birton
