

Husky Fund Direct Donation 2020-2021

Welcome to the 2020-2021 school year! This school year will be unlike any school year we have ever known. Instead of buying school supplies for classrooms, we are setting up desks in our homes for the kids to distance learn. Even though the kids are not in school, we still need parent support to fund many programs. Our priority is to get the school “COVID ready” for a reopening for the second half of the year. Hand-sanitizing stations, sneeze guards, and masks for children can all be purchased to have ready. We also have on-going programs like No Place for Hate, Community Support, Food Banks, and Professional Development. We would also like to get creative and support our students with cultural arts and additional student programming virtually. This all starts with a donation from you. Please use the attached form to donate. Any amount big or small helps and all donations are 100% tax-deductible.
