

Husky Fund Direct Donation 2022-2023

Welcome to the 2022-2023 school year! We are excited to help support Silver Creek with programs and cultural arts activities to give your children a terrific year.

Here are some of the projects the PTSA would like to support this year: a math resource library including more access to Delta math for students, a 5-year commemorative mural for the school, a beautification of the staff lounge, and Cultural Arts programs including Shakespeare Week. We also support on-going programs like No Place for Hate, Silver Creek Cares, Food Banks, and Professional Development.

We would also like to continue to have community events to bring our families together after two difficult years. This all starts with a donation from you. Please use the attached form to donate or through www.pay4schoolstuff.com. Any amount big or small helps and all donations are 100% tax-deductible. The PTSA counts on your support.

Thank you in advance,

Jessica Flynn and Leslie Milano
Fundraising Chairs

Please mail this form with your check, payable to "Silver Creek MS PTSA", to:

Silver Creek MS PTSA
